

Appropriations Committee Approves \$332,407,782 for Atomic Work, Alaska

Lewis Bows to U. S. Order

Curran Orders Appearance Before President Truman's Board After Attorneys Argue for Him in District Court; Says Court Was Lenient in 'Show Cause'

Washington, March 30 (AP)—John L. Lewis bowed today to a federal court order directing him to appear before President Truman's board inquiring into the soft coal strike.

Lewis, flanked by his attorneys, left headquarters of the United Mine Workers 15 minutes before the deadline for his appearance—2 p. m. (E.S.T.).

Earlier in the day, Justice Edward M. Curran of U. S. District Court had directed the miners' chief to appear before the board.

Lewis said nothing as he strode out of the union's building.

Curran acted quickly after Lewis' attorney raised the question of adequate time to reply to the summons and challenged the constitutionality of the Taft-Hartley Act.

Wesley K. Hopkins, attorney for the chief of the United Mine Workers, had argued barely 10 minutes when Curran ruled. Lewis did not appear personally to explain why he should not appear before the board of inquiry.

Curran told Hopkins the court had been lenient in granting Lewis an opportunity to "show cause." The judge said that in his opinion he could have directed Lewis to appear before the board without the formality of today's hearing.

The order for Lewis to appear before the board this afternoon, Curran said, would have to be served on Lewis personally.

This posed a new problem for U. S. marshals. They had a merry chase yesterday in trying to reach Lewis with the subpoena from the inquiry board, and later the court order to show cause.

Lewis sent four lawyers to Curran's court—Hopkins, Earl Houck, Harrison W. Combs and T. C. Townsend.

The attorneys piled into Lewis' big car and were driven by his chauffeur to the court 25 minutes before the deadline set by Federal Judge Richmond B. Keach for Lewis or his lawyers to "show cause" why he ignored the board's subpoena.

The board is looking into the facts of the pension dispute which has idled some 400,000 soft coal miners since March 15.

The Justice Department asked the Federal Court to compel Lewis to appear before the inquiry board. That was a preliminary move to asking for a court injunction if Lewis continues to defy legal steps spelled out by the Taft-Hartley Act for settling "national emergency" disputes.

A year ago Lewis and the U.M.W. had to pay a \$710,000 fine.

Spain Gets Committee Aid Listing

Final Approval Subject to House Vote; Calls for Finish of Bill by Tonight

Cites 'Dictation'

Washington, March 30 (AP)—The House voted 149 to 52 today to invite France Spain to the \$6,205,000,000 foreign aid program.

The Foreign Affairs committee had agreed to include Spain. But Rep. Vorys (R-Ohio), in charge of the aid bill, said the State department is against it.

And whether the Senate will go along is another question.

In any event, Spain could get in on the program only if she agreed like other participating countries to join in a European recovery program of cooperation and self help.

Spain now is specifically named as eligible to qualify under the bill before the House. Eastern European nations are not.

The door is open for Russia and her satellite nations to come in under the same terms as Spain, by agreeing to terms of the program.

Formal Notice Sent To Court Review of 3 Persons Is Denied

Baruch Testifies Sugar Conspiracy Verdicts Thus Affirmed by Decision

Bernard M. Baruch testifies before the Senate armed services committee in Washington. He urged prompt enactment of universal military training and selective service legislation. The elder statesman also called for "an economic mobilization plan." (AP Wirephoto)

Washington, March 30 (AP)—The Supreme Court today sent to the U. S. Court of Appeals in New York city a formal notice that it would not review convictions of a New York corporation and three individuals on fraud charges made in connection with wartime sugar rationing.

The review was asked by the Pure Rock Mineral Springs Corp., Harold Gottfried, Joseph Forman and William Stanton. The government alleged that because of alleged false statements made to O.P.A. officials, the firm obtained 1,000,000 pounds more sugar than it was entitled to receive.

The firm and the individuals were convicted in U. S. District Court in New York city. The convictions were upheld by the U. S. Appeals Court there. The Supreme Court's refusal to review the case lets the conviction stand, thus having the effect of affirming them.

Review Denied.

Washington, March 30 (AP)—Convictions of a New York firm and three individuals on fraud charges in connection with a wartime sugar rationing were in effect upheld yesterday by the Supreme Court.

The tribunal refused to review trials of the Pure Rock Mineral Springs Corp., and Harold Gottfried, who were accused of making false statements to O.P.A. officials.

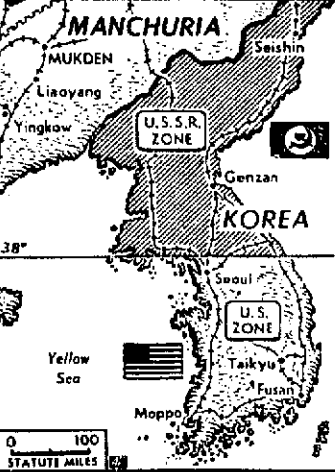

The government asserted that because of the statements they obtained 1,000,000 pounds more sugar than they were entitled to receive.

Gottfried, Joseph Forman and William Stanton were convicted of defrauding the United States of the "fair and honest" services of an O.P.A. investigator. The government asserted they sought to have the investigator avoid reporting the alleged O.P.A. violations.

The company and individuals were convicted in Federal Court in New York city. The U. S. Circuit Court there upheld the conviction.

Zones in Korea

Soviet soldiers and North Korean villagers are digging trenches, foxholes and gun emplacements along the 38th parallel dividing the Soviet and U.S. occupation zones in Korea.

Word War With Reds Is Financed

Relief Jobs in Occupied Countries, Veterans' Administration Aides Are Okayed

Speed Is Asked

Atomic Research Group Is Urged to Plunge Ahead

Washington, March 30 (AP)—New funds for atomic weapons and research for military work in Alaska, and for the word war with Russia were okayed today by the House Appropriations Committee.

It also approved new grants for relief work in army-occupied countries and for Veterans' Administration personnel.

The committee recommended a \$332,407,782 bill to meet shortages in funds previously voted for various agencies for the year ending June 30. The bill is scheduled to come before the House for a vote tomorrow or Thursday.

The total is \$66,311,478 below the amount President Truman had asked. Most of the cuts were in funds sought for the Maritime Commission, the Postoffice Department and the Air Force clothing budget.

In addition, the committee canceled \$200,345,000 in money previously appropriated for the Army, mostly for the finance service. The Army itself had proposed a \$150,000,000 cancellation.

Not a penny was cut from the \$150,000,000 asked by the atomic energy commission, all of it in contract authority for which Congress will put up the actual cash later. Wilson told the committee in a closed door session, "we will be directed toward insuring the continuity of production of fissionable materials, the fabrication of these into weapons, and the conduct of research and development."

Without elaboration, Wilson said the military interest "goes far beyond atomic bombs."

Facilities Are Dispersed

He added that production facilities for weapons are being dispersed and duplicate sources for weapon parts and assemblies are being built. Hereafter they have been centered at Los Alamos, N. M.

Wilson and David E. Lilienthal, commission chairman, told the committee how many atom bombs this country has, it didn't get into the printed record. But committee members told reporters privately they are satisfied with the commission's progress.

The committee goes its way to a request for \$7,000,000 in cash and \$4,000,000 in contract authority for construction of a road connecting Seward and Anchorage, in Alaska.

This is an Interior Department bill.

Police, Stock Workers Stage Fierce Wall Street Battle

Railroads Ready To Give Wage Boost

Brotherhoods, However, Have Not Decided to Accept

Chicago, March 30 (AP)—The nation's railroads are ready to grant a wage increase of 15 1/2 cents an hour to 125,000 engineers, firemen and switchmen, as recommended by President Truman's Fact-Finding Board.

But the rail brotherhoods representing the workers haven't decided whether they will accept the pay hike. The unions, who asked for a 30 per cent wage boost, expressed disappointment over the board's findings.

The general chairman of the unions will meet in Cleveland next Monday to act on the board's recommendations—which are not mandatory.

If they reject the pay boost the government is expected to seek further discussions. But there will be no strike immediately. Under the Railway Labor Act the unions are required to continue to work for a 30-day period ending April 26 before leaving their jobs.

Tomorrow the three unions' wages and rules committee will meet in Cleveland to start a study of the board's recommendations. The proposals also include changes in working rules.

Yesterday wages and rules committees of the Teamsters' Brotherhood and the Conductors' order met in Cleveland to examine the report. They are not involved in the dispute but are considering making new pay demands.

The proposals also include changes in the recommendations, a management spokesman said the carriers "deplored the added cost," which they estimated at \$80,000,000 a year, but said their action was taken to "uphold the spirit and intent of the Railway Labor Act."

The pay boost recommended by the board last Saturday was the same accepted last November by conductors and trainmen, also operating workers. The same hike had been granted last September to 17 unions of non-operating.

Local Car Dealer Finds Wife Dead; Had Been Ironing

Mrs. E. G. Boessneck Was Under Treatment of Doctor; Stroke Is Cause of Death

New York, March 30 (AP)—Police and pickets battled late today on Wall street, the heart of world finance, as violence flared in the New York Stock and Curb Exchange strikes.

The fighting was over six minutes after it began, but it was six minutes of fierce battling.

Men were knocked down. Women screamed. Police were thrown to the sidewalk.

Thirty-eight persons, including two women, were carted away to the Old Ship Police Station for booking on disorderly conduct charges and two of them were treated for injuries. Police said most of the men were members of A.F.L. seamen's unions who had joined the A.F.L. financial employees on the picket line.

A detective's head was bleeding when he was picked up from the sidewalk in front of the Stock Exchange. He was sent to a hospital.

Squads of police, unbalanced by riotous officers, were rushed to the exchange. Private phones in adjoining stores and offices were allocated to police use only.

Wall street was roped off. Picket lines were reduced in size. Employees of the exchange were crowded in the building in groups of 50.

Mounted officers, responding to emergency calls, brought their horses in close formation at Broad and Wall streets in preparation for any further disturbance.

Despite the trouble, trading opened promptly at 10 a. m. Brokers said operations were smoother than yesterday, the first day of the strike.

They said 85 per cent of the clearings were taken care of by seven o'clock last night and that things were normal today.

The telephone quotation service inside the exchange was not functioning, but exchange officials described the operation as a "luxury" and of no importance.

Police guards conveyed foot into the stock exchange. Strikers walked along the picket line serving coffee.

Highland Boy, 9, Drowns in Creek Monday Afternoon

Falls From Boat Playing With Companions; Body Recovered by Troopers

Washington, March 30 (AP)—The House Foreign Affairs Committee agreed today to include Spain in the \$6,205,000,000 foreign aid program.

The decision virtually guaranteed Spain would be dealt in, although it still is subject to action of the House itself.

Rep. Vorys (R-Ohio), in charge of the aid bill, told a reporter the State Department is against this step.

"Probably it is bad politics in Western Europe," he said.

"But the way Spain would be written in would be rather innocuous, so we will go along."

Until the foreign affairs committee considered the Spanish question this morning, House leaders had figured the vote could go either way.

The pushed the accelerator to the floor in what Republican Leader Hallett (Ind.) called a "reasonable effort to try to finish the bill by tonight."

With that in mind, the House was called into session two hours ahead of the usual noon meeting hour.

Hallett told reporters that "we aren't going to keep anyone from talking if he wants to."

Aid for China, economic and military, was the question before the Senate. The foreign affairs committee brought to the floor for action a bill calling for \$363,000,000 worth of economic help for 12 months, plus \$100,000,000 for any.

Ertel Corporation Is Defendant in Damages Action

Suit has been instituted in the Federal Court Southern District of New York, by Felix V. Goldsborough and others against Ertel Engineering Corporation to recover \$75,000 alleged damages resulting from the sale of filters claimed by the plaintiffs to have been defective. The summons and complaint have been filed in the Federal Court for the Southern District of New York. The plaintiffs are the assignees of Records & Goldsborough, Inc., a corporation which was engaged in blending, rectifying and bottling of whiskeys and alcoholic beverages. Among the branded liquors sold by that corporation were such items as Melrose Whiskey.

Dewey Will Hit 'Jellyfish' Foreign Policy of President

Albany, N. Y., March 30 (AP)—Governor Dewey will hinge his intensified campaign for the Republican presidential nomination upon criticism of a "jellyfish" foreign policy, a need for strong national leadership and his own record in New York.

Dewey advisers said today these points would be reiterated and expanded upon as the governor moves outside the state in a personal bid for delegates.

He covered them briefly last night in a coast-to-coast radio interview (Mutual) with Fulton Lewis, Jr.

Dewey will open a full scale drive for the nomination this week when he moves into Wisconsin, virtually on the eve of that state's presidential primary April 6, to deliver four addresses Thursday and Friday. He will journey to Nebraska next week.

Asked what he thought of the foreign policy of President Truman, Administration Dewey replied: "Did you ever try to nail a jelly-

New Pumper to Get Acceptance Test

Apparatus Will Be Placed in Service This Week, if Okay Given

Tests on the new 750-gallon Mack pumper which arrived in this city Monday will be made this afternoon at Ben Rhymers' dock in Wilbur, it was announced at fire headquarters today.

Fire officials expect to place the new pumper in service by the end of the week, when it will replace the Cordts Hook Company combination truck which is now in use as Engine 3 at the Wiltwyck station. The Cordts truck was transferred to the Wiltwyck station last fall after the old Engine 3 was taken out of service due to engine failure.

Marty Gungberg, delivery engineer for the Mack International Motor Truck Company, Long Island City, is in this city to demonstrate the new pumper, and will remain here until Fire Chief Joseph L. Murphy decides upon the acceptability of the apparatus.

The new fire engine has a 213-horsepower engine and a pump capable of delivering at least 750 gallons per minute. It also has a portable lighting system consisting of two 250 watt and two 500 watt searchlights with a generator and 300 feet of electrical cable.

When the new engine was delivered here Monday several Mack officials were present, including S. H. Bridges, district manager of the Poughkeepsie district factory branch, and I. J. Renner, service manager from Poughkeepsie, in addition to Gungberg.

When the pumper is placed in service, the Cordts truck will be returned to the Cordts company, which has been without a fire truck since its transfer to the Wiltwyck station.

Child Is Injured; Hits Car With Tricycle

Kenneth Douglas, Jr., 3, of 10 Charlotte Place East, received bruises to his left hand and knee when he rode his tricycle into the right rear fender of an automobile in front of his home about 6:15 p. m. Monday, the police reported.

Police said the car was driven by Mrs. Edna Van Kleeck of 19 Charlotte Place West, who after the accident took the boy and his mother to Kingston Hospital, where the boy was treated and allowed to go home.

Mrs. Van Kleeck told police that she did not know whether the boy had been knocked from the tricycle, because when she stopped and got out of the car, the child already had run into his house.

Erie Gives Cash

Railroad Presents Money to Cripple So She May Signal Trains

Johnston City, N. Y., March 30 (AP)—An Easter gift of \$280 means more flashlight batteries to Doris Hallett, 19-year-old cripple who signals passing trains from her bed.

Doris, a cripple all her life, was given the money by Erie Railroad men who have learned her signals and habitually respond with train whistle blasts. Part of it will go for new batteries, she said yesterday.

The gift was presented by Trainmaster Peter De Mott of Elmira. He and Doris became acquainted after he had dropped a message from his train.

Treasury Reports

position of the Treasury March 27. Receipts \$203,791,962.06; expenditures \$78,434,791.07; balance \$4,974,228,856.27; customs receipts for month \$35,814,757.87; receipts for fiscal year (July 1) \$33,326,951,831.80; expenditures for fiscal year \$25,843,362,877.50; excess of receipts \$7,483,588,953.50; total debt \$23,027,267,550.68; decrease under previous day \$17,954,504.29; gold assets \$23,135,866,024.99.

Diplomats Convene

Bogota, Colombia, March 30 (AP)—Top diplomats of 21 Pan American nations convene here today for what may prove to be the most important conference in the history of the western hemisphere.

President Mariano Ospina Perez of Colombia will open the ninth international conference of American states with a welcoming address this afternoon.

Butter Takes Jump

New York, March 30 (AP)—The 66th annual report of the United States Butter Commission, released yesterday for publication, disclosed that although the 1947 operating revenues of \$47,783,140 were the greatest in the company's history, the railroad operated at a loss of \$3,996,173, also the biggest in its records. The report, signed by M. W. Clement, president, ascribed this loss to the failure of the railroad to receive increases in freight and passenger rates promptly enough and in sufficient amounts to offset the greater costs.

Strike Called Off

Japanese Act Following MacArthur Ban Is Imposed

Tokyo, March 30 (AP)—The Japanese Communications Workers' Union called off its threatened general strike of 400,000 members today.

An estimated 200,000 already had walked out, however, in regional layoffs.

General MacArthur yesterday banned the general strike. Chief Union Secretary Mitsui Nagata said he did not believe the directive applied to regional walkouts.

Union President Kazuyoshi Dobashi announced regional work stoppages would be continued in most of Japan's vital areas.

Gold Shuns Area: No More Phone Calls

Murray Gold, 33, of New York, charged with stabbing Mary Ann Dunham, 35, of Kingston at a Marlborough tavern a week ago Sunday, is still the object of a police search, the authorities said today.

Gold, who had made a series of telephone calls, including one to The Freeman, since his reported escape from a police trap at Beacon, March 21, has not attempted telephoning to this area in three days, the police said.

The New York man, who, police said, has used several aliases, has called St. Luke's Hospital, Newburgh, several times from the metropolitan area. He also called the Newburgh News and relatives of the woman, the authorities reported.

The stabbing, according to the state police at Highland, was the outcome of a lovers' quarrel. Gold and the woman had been together in Newburgh prior to the stabbing, the police reported, and Gold followed her in a taxi from Newburgh to the Marlborough tavern.

The former local woman, whose condition was never described as serious, is recovering from the stab wounds at the Newburgh hospital.

Opens Office

DR. IRVING ADNER

Dr. Irving Adner, of 234 Main street, who has been optometrist in this city for several years, this week opened his own office at 302 Wall street over Mollott's store.

A graduate of Penn State of Optometry, he obtained his degree of Doctor of Optometry in 1924. He then became associated with his father, the late Dr. A. Adner at Troy.

During his years in Kingston he has been associated with the Edwards Jewelry store, Wall street, which later became Rudolph's. He came to this city in 1933.

Last month he was cited for being among the top store managers in the Rudolph chain. He resigned from that concern recently to open his own office.

Dr. Adner is a member of the Elk's Club, Phi Theta Epsilon and B'nai B'rith.

Calls for U. S.-Red Talks

Washington, March 30 (AP)—A new call for personal talks between President Truman and Marshal Stalin to bring about world peace came today from Charles F. Boss, Jr., a leader of the Methodist Church.

Boss, executive secretary of the Methodist Commission on World Peace, told the Senate Armed Services Committee, "We believe the President should be willing to meet in some neutral country, (in cities) such as Stockholm or Geneva, with Stalin for the purpose of resolving some present Soviet-American problems in order to break the deadlock."

A new plaster forms on the walls a durable insulating coat of plastic impregnated mineral cork which also has sound-absorbing properties.

SHOKAN

Shokan, March 30—Mr. and Mrs. Eugene McCafferty came up from the city to spend Easter at their mountain road place. Mrs. McCafferty will remain here through this week.

A new grading job on the Route 28 realignment has been started near the west end of Temple's Pond. Apparently, it is planned to grade the new line down to approximately the level of the present pavement which it parallels for nearly the entire length of the pond. The soil turned up by the bulldozers appears rich and comparatively free of stones, as though deposited there centuries ago when the water may have been much deeper in Temple's.

Frank Avery, a veteran of service in the Pacific theatre, is reported to have invested in a sedan.

Albert Morales, a son-in-law of Mr. and Mrs. Charles Rodriguez, came up from New York and spent the week-end at the Rodriguez place in the Coons neighborhood.

Shoppers on Wall street Monday: Fred Markle, general Ashokan resident; John Barringer, Krumville farmer and former assessor of Olive; Mrs. George (Grace) Nichols, Bolceville hill road matron; Mr. and Mrs. Grover Winchell, fire insurance company director and school teacher, respectively, of the Samsenville road; Mrs. Charles L. Palmer, Kingston resident and one time occupant of the Shokan Reformed Church parsonage; Fred Adit, local Boy Scout official, and Mrs. (Minnie) Adit, assistant postmaster here.

Thursday, March 31, 1948: Krumville—Ann Oakley has returned to her school at Hyde Park. . . . George Oakley, of Kingston spent week-end with sister, Mrs. Naomi Wood. . . . Leibhardt—Sunday school officers elected recently were John Wagner, superintendent; Peter Hornbeck, assistant; Mrs. L. E. Lawrence, secretary; Anna Dewitt and Mrs. Alex Brown, organist. . . . Lyonsville—Melissa Wager is taking music lessons of Mrs. Alida Osterhout of Stone Ridge. . . . Byron Vandemark, who bought Axel Lyons farm at Krippebush, has taken possession of place.

Dr. Edna Longyear, one of the local canvassers for Olive's Red Cross fund quota of \$500, has collected \$63 thus far in the drive. The sum includes the receipts of \$17 from a food sale held in the post office building last week.

Charles and Marvin Greene, enterprising village farmers, have sawed, split and stacked a big supply of firewood.

Lumber and other building material for the proposed new residence of Nicholas Economos is being hauled to the site on the Wendt and Economos garage grounds along Route 28 at Ashokan. The family has been making its home in the former Cyrus Cudney farmhouse since coming here from Pennsylvania.

Olive Bridge Otis says his folks never seem to have much money; his Pop is a stamp collector and his Mom a woman.

The Denis T. Lynch family have

'Cold War' Issue

American posters like this one, telling of \$9,780,000 worth of seeds given to Austria by the American Aid program, were confiscated throughout the Soviet zone of Austria. Austrian Communists replaced them with two million posters praising the advantages of the "people's democracy" set up in Czechoslovakia after Reds seized control.

bought a new sedan from Alonzo and Robert Haver.

Fish & Game: Haven't heard of any foxes being trapped or shot in these parts of late but suppose that up in neighboring Shandaken and Denning the boys and men have been taking them as usual. Downing nearly a dozen with two million posters praising the advantages of the "people's democracy" set up in Czechoslovakia after Reds seized control.

There's more than one way to bag a fox. Years ago, Abel Weeks was driving along the road when a big red fox leaped out of the bushes and dashed up the road. Abel promptly jumped up his horse and went galloping after Reynard; upon overtaking the speedy animal he snapped his whip, the long lash wound itself twice around the fox's neck and tied itself into a knot which held fast. Weeks then stopped his horse and jumping from the wagon, killed his prey. Our quick-thinking hunter, probably the only one ever to have lassoed a fox on the dead run, next drove to town with his evidence and the clerk allowed that this was indeed a "new one" on him. (Moral, if any foxes are going for a drive out in the sticks!)

**Rabbi to Discuss
Jews in America**

The second in a series of six lectures on Jewish life in America sponsored by Zephaniah Lodge No. 131, B'nai B'rith, will be held tomorrow at 8 p. m. in B'nai B'rith building on Wall street.

The speaker will be Rabbi Frank Plotke of Congregation Ahavath Israel of this city. The topic will be "Growth of the American Jewish Community." A discussion will be held following the presentation. Everyone is welcome.

**Council to Designate
New Polling Place**

Mayor Oscar V. Newkirk has called a special meeting of the Common Council for 7 p. m. today to designate a new polling place in the second district of the Second Ward.

The former polling place for that district was the A. H. Wicks Engine Company No. 4 house at 325 Foxhall avenue. However, last year that fire company moved into new quarters at 17 Wilkewick avenue, which makes it necessary to make the new designation of a polling place prior to the spring primary elections in April.

About the Folks

Financial and Commercial

New York, March 30 (AP)—The Stock Market maintained its equilibrium fairly well today despite the Wall street strike and other restraints.

Brokers reported operations still "more or less normal" in the face of heavy picket lines around the exchanges.

Dealings, relatively quiet at the start, picked up a bit later. Quotations hardened here and there around midday and modest plus signs predominated near the fourth hour.

Buying again was based partly on the outlook for rearmament, easing taxes and European relief.

Numerous skeptics stood aside or trimmed accounts because of doubts regarding labor upsets, international affairs and general business.

Ahead most of the time were Goodrich, Goodyear, U. S. Steel, Woolworth, Bethlehem Steel, International Harvester, United Aircraft, Schenley, American Tobacco Co. (trailing after recent weakness), Santa Fe, Great Northern Railway, Paramount Pictures, Loew's and Union Carbide.

Bonds were narrow and commodities lower.

Quotation by Morgan Davis & Co., members of the New York Stock Exchange, 60 Beaver street, New York city, branch office, 48 Main street, R. B. Osterhout, manager.

GOP Late-Comer

Sen. Raymond E. Baldwin, above, of Connecticut, is the sixth avowed presidential aspirant to throw his hat in the GOP ring. Initial move to put the 55-year-old, three-time governor up as a nomination candidate was made by Rep. Ellsworth Foote (R., Conn.).

RIFTON

Rifton, March 30—Miss Charlotte Brown of Lidlitz, Pa., spent several days as a guest of Mrs. Jack Colligan.

Miss Carlin Osterman Ekorp of Sweden is spending several weeks at the Tracvick home.

Mr. and Mrs. J. Jackson of Troy are guests at the home of Mr. and Mrs. John Salmi. Mrs. Jackson is the former Sylvia Salmi.

Mr. and Mrs. Paul Briand entertained over the week-end Mr. and Mrs. McGuire of Long Island, Mr. and Mrs. Carl Young of Syracuse and Mr. and Mrs. Paul Tresvik of Schenectady.

Mrs. Harry Mitchell and children are spending Easter week in New York at the home of Mrs. J. Boland.

Mr. and Mrs. Lester McMahon motored to Walder on Sunday to visit Mr. McMahon's parents.

Mr. and Mrs. Nicholas Tancredi and children spent the week-end in New York visiting relatives.

Mr. and Mrs. Richard Colligan and Jack Colligan of the Bronx spent the week-end at Colligan's Inn.

Mr. and Mrs. George Clement and children are spending a week in New York.

Mrs. John Grady entertained Mr. and Mrs. George Menzies, Mr. and Mrs. Hayward Eckert, Mr. and Mrs. H. Ketelsen, Miss A. Devine, Mrs. M. Britz and E. Balfe on Sunday.

Robert Eckert, Lewis McMahon, Robert Ketelsen and Aline Grady made their Communion at the Trinity Lutheran Church on Sunday.

Mr. and Mrs. George Ruchel entertained Mr. and Mrs. Walter Fleck of Riverdale on Sunday.

Ungs Ketelsen's father who arrived from Germany several weeks ago is ill at the Benedictine Hospital.

Moving pictures are shown at the firehouse every Wednesday at 8 p. m.

A surprise party is held at the firehouse every Saturday night.

The Sunday school of the Rifton Methodist Church will reopen Sunday, April 4 at 11 a. m.; Church service at 2:30, the Rev. Fred Stine in charge.

Births

The following births have been recently recorded with the registrar of vital statistics in this city:

March 23—Reid Charles to Mr. and Mrs. Charles John Mackey of New Paltz; Linda Rebecca to Mr. and Mrs. Isom Clinton of 66 Farrelly street; David Bruce to Mr. and Mrs. Robert L. Crispell of Olive Bridge.

March 24—Robert William to Mr. and Mrs. Charles Waddele of Saugerties.

March 25—Carol Beth to Dr. and Mrs. Irving H. Rosenbaum of Stone Ridge; Cynthia Anne to Mr. and Mrs. Douglas Edward Coons of West Camp.

Local Death Record

Funeral services of Henry N. Beesmer of West Hurley were held Monday afternoon from the W. N. Conner Funeral Home, the Rev. Wayne E. Williams of the West Hurley Methodist Church officiating. The services were largely attended by relatives and friends. Bearers were Elmer Vente, Jacob Metzger, Nile Quick, J. Immediato. Burial was in Woodstock Cemetery.

Funeral services for Charles A. Keator of Tilton were held Saturday at 2 p. m. from the George J. Moylan Funeral Home in Rosendale. The Rev. Albert H. Shultis, pastor of the Rosendale Reformed Church, officiated. Burial was in the Rosendale Plains Cemetery where the Rev. Mr. Shultis conducted the committal services. Bearers were Oliver Keator, Arthur Merrihew, Kenneth Clark and Frank Van Deusen.

Alice Vignes Stephan, 189 Manor avenue, widow of the late Frederick Stephan, Jr., died on Monday. Surviving are one daughter, Helen A., wife of Judge John B. Sterey, of the surrogate's court, and several nieces and nephews. The funeral will be held from the parlors of A. Carr & Son Wednesday at 2 p. m., with burial in Wilkewick cemetery. Friends may call at the funeral parlors Tuesday evening between 7 and 9 o'clock.

The funeral of Mrs. Grant Merline was held Monday afternoon at 2 o'clock from the George J. Moylan Funeral Home, Main street, Rosendale. There was a large attendance of her many friends and relatives. Services were in charge of the Rev. Albert H. Shultis, pastor of the Rosendale Reformed Church. Burial was in the Rosendale Plains Cemetery. The bearers were James Mills, Peter Zeldersback, Lloyd Keator and George Krempner.

Theda M. Needes, of 86 John street, wife of Claude L. Needes, president of Needes Express, died early this morning at the Benedictine Hospital after a short illness. A well known resident of this city, she was a member of the Fair Street Reformed Church and was active in its club and organization work. Besides her husband, she is survived by a daughter, Joan Ann; a son, Ronald R., both of this city; her father, Wilbur H. Miller, of Norwalk, Conn., and a sister, Mrs. Clara Jennings of New Paltz. The funeral service will be held at the W. N. Conner Funeral Home, 296 Fair street, at 2:30 p. m. Thursday. Burial will be in Wilkewick cemetery.

Lewis Bows . . .

Continued from Page One

fine resulting from the November 21-December 7 strike which had been forbidden by court order.

Federal Judge Sherman Minton, chairman of the three-man fact-finding board, indicated that it would report on the strike issues to Mr. Truman today, if possible, to speed an injunction if Lewis remains defiant.

Under the Taft-Hartley act the board must report to the President before he may seek a strike-related injunction in Lewis' Alexandria, Va., home.

Those papers called for Lewis or his attorneys to appear today before Justice Edward M. Curran to explain why the UMW boss should not be made to comply with the fact-finding board's subpoena.

"If the court should hold the subpoena was wrong, that ends the matter," Assistant Attorney General Graham Morrison said.

However, if the court holds Lewis should appear before the fact-finding board, it will then order his appearance before that board.

The Board of Inquiry had the stage set for Lewis' appearance yesterday. Bright lights and cameras were ready. Instead of the UMW president, however, the board heard Thomas E. Murray, the one-time neutral trustee of the miners' welfare and retirement fund created by the 1947 contract.

Preparation of new types of electrical semi-conductors by bombardment of semi-conductor substances, particularly germanium, with nuclear particles, is a new development.

The lining of pecan shells, that has a puckering effect on your mouth if you chance to get a bit of it, is being investigated as a possible source of tannin.

LEIBHARDT

Leibhardt, March 30—Mr. and Mrs. Ben Pollack entertained last week-end Mr. and Mrs. Morris Schrieberman and family and Mr. and Mrs. S. Wilber of New York.

Mr. and Mrs. Charles Thomas of New Haven, Conn., Mr. and Mrs. Abram Kelder and daughter Marguerite of Rosendale called Friday on relatives at the Gorsline and Markle homes. Easter Sunday relatives visited the families, including Mr. and Mrs. Melvin Gray of Walden, Mr. and Mrs. Sam L. Taylor and son Melvin of Wallkill.

Arlic Brown has discontinued work for a while with the electric light company.

Mrs. Alex Brown is at her home now after spending several weeks with her daughter Mrs. A. H. Davis of Whitefield.

Mr. and Mrs. Ben Pollack and daughter, Barbara Gail, were in Ellenville Sunday evening and attended the movies.

Mr. and Mrs. E. B. Markle recently called on relatives at the Markle home in Mombaccus.

The district school is closed for the Easter vacation.

Floyd Brown of Samsenville called Friday on relatives in this area.

BOY SCOUT NEWS

Murphy Will Speak

Fire Chief Joseph L. Murphy will be the guest speaker at a dinner meeting of Boy Scouts of Troop 12 in Bethany Chapel of the First Dutch Church Wednesday evening.

The annual presentation of the troops charter from Boy Scout headquarters will also be made at that time and the boys and leaders will be given their membership cards for the year.

A dinner will be served at 6:30 p. m. preceding the meeting. Parents of the members of the troops are invited to attend.

DIED

BOESSNECK—Suddenly at residence, 220 Ten Broeck Ave., March 29, 1948, Bertha M. wife of Emil G. Boessneck. Notice of funeral later.

NEEDS—In this city, March 30, 1948, Theda Needes, wife of Claude L. Needes, mother of Joan Ann and Ronald R. Needes, of this city, daughter of Wilbur H. Miller of Norwalk, Connecticut, sister of Mrs. Clara Jennings of New Paltz, N. Y.

Funeral services will be held from the W. N. Conner Funeral Home, Thursday, April 1, 1948, at 2:30 p. m. Interment in Wilkewick Cemetery.

NOBLE—In this city, Monday, March 29, 1948, Daniel F. Noble, husband of the late Rose Caffrey Noble and son of the late John and Mary O'Neil Noble devoted father of Daniel, Jr., James and John and brother of Martin A. Noble.

Funeral will be held Wednesday morning at 9:15 o'clock from the home of his brother, 92 Third avenue, thence to St. Mary's Church where a solemn high Mass of requiem will be offered at 10 o'clock. Interment will be in the family plot in St. Mary's Cemetery.

Attention officers and members of Kingston Council No. 275, Knights of Columbus.

All officers and members of Kingston Council are requested to meet at the Council Hall, 398 Broadway, on Tuesday at 7:30 p. m. to proceed to the home of our departed member, Daniel Noble, at 92 Third avenue, where the Roary will be recited for the repose of his soul.

JOSEPH F. SACCOMANI, Grand Knight

ROBERT S. DONNARUMA, Recorder

Attention Officers and Members of St. Mary's Holy Name Society

The officers and members of St. Mary's Holy Name Society are requested to meet at the home of Martin A. Noble, 92 Third avenue Tuesday evening at 8 o'clock to recite the Rosary for the repose of the soul of our late member, Daniel F. Noble.

Signed, LEO T. LYNCH, President.

RT. REV. MSGR. MARTIN J. DRURY, Spiritual Director.

Attention Officers and Members of Kingston Lodge No. 550, B.P.O.E.

FUNERAL HOME

27 South Ave. Kingston 376 Rosendale 2441

Hanson-Gates Water Heaters

Equipped with a Special Constant Level Valve having low to high flame control. Capacity, 80 to 40-gallon hot water storage tank. Connects to any size oil supply. Will burn continuously for 24 hours on approximately one gallon of range oil, and will keep 80 to 40 gallons hot water on hand. Burns with a clean, odorless silent blue flame. As all Hanson-Gates Water Heaters are built with a double coil, double the amount of water is heated at half the cost of operating a single oil heater.

Give-Away

"Fool's gold" is the common name for iron pyrite. It can be distinguished from real gold by the color of sulphur it gives off under heat.

REDUCING? HERE'S A HELPFUL TIP

Are you slim enough to wear the new styles? Remember, no matter what you pay, "new look" fashions aren't flattering if you're overweight. If you're reducing now—or plan to—you'll find the booklet, "Kellogg's Weight Control Plan," helpful. It gives 3 special sets of scientifically balanced menus for every meal, every day of the week—and insurance-company weight tables for each type of body frame. These menus include KELLOGG'S ALL-BRAN which contains vital whole-grain protective food elements—needed whether you diet or not. This booklet is FREE—just write Kellogg Co., Dept. N, Battle Creek, Mich.

Army Medicos Are Accused of Leaving Gauze in Woman

Washington, March 30 (AP)—The Senate passed a bill yesterday to pay \$1,500 to Mrs. Susan W. Roe, Flushing, L. I., because army medical personnel left an 18-inch gauze pad in her abdomen after an operation.

She underwent the operation July 19, 1943, at the Mitchell Field, N. Y., base hospital, said a report accompanying the bill, while Mrs. Roe's husband was in the air force.

What Congress Is Doing Today

(By The Associated Press)

Senate

Debates bill to authorize \$463,000,000 worth of aid to China.

Armed services committee continues hearings on universal military training, selective service; hears Henry A. Wallace.

Banking committee hears Secretary of the Treasury Snyder on nomination of Thomas B. McCabe to the Federal Reserve Board.

Senate-House economic committee meets behind closed doors to consider recommendations for report on President's economic findings.

House

Meets two hours early in drive to pass \$6,205,000,000 foreign aid bill by nightfall.

Appropriations committee considers bill to supply atomic energy and other government agencies with extra funds for current year.

Don Smith Is Cleared

New York, March 30 (AP)—Don Smith, 34, field representative of the United Packinghouse Workers of America (C.I.O.), has been cleared of a disorderly conduct charge lodged during strike activity. He was arrested March 17 in front of the Brooklyn plant of Swift and Company, one of the major packing companies against which his union is carrying out work stoppage.

'Accidentally' Hit

Richard Reidy, of Chicago, relaxes in a doctor's office, left, after a bolt from an "accident-proof" gun ricocheted during a "safety" demonstration. The gun, right, fired threaded bolts into wooden sections of outdoor advertising displays upon ignition of 22-caliber powder charges. Reidy was hit in the head by the projectile, one of which is shown with gun and powder charges.

'Peaches' Is Divorced

Rodwood City, Calif., March 30 (AP)—"Peaches" Browning had another divorce decree to add to her collection today. With it, gratis, she got the judge's candid opinion about "people who get married and have no respect for the sanctity of marriage." This being the fourth time "Peaches" has gone through the divorce routine, Superior Judge Edmund Scott observed: "You wonder why people waste the time or the \$2 for a marriage license."

Children Are Named

Jerusalem, March 30 (AP)—The Arab mother of twin boys born yesterday in the Damascus neighborhood, which bristles with guns, said today they had been named "Bren" and "Tommy."

Seaman Begins Term

Baltimore, March 30 (AP)—An 18-year-old seaman today began serving sentence of not more than 18 years for the shooting of Vivien Crowe, 21, who lived with a bullet in her skull for 114 days. The seaman, Herbert de Boissiere of New York city, was convicted yesterday of second degree murder by Judge Edwin Dickerson. He was sentenced to the state reformatory. Under Judge Dickerson's indeterminate sentence, the youth may be released at an early date, if prison authorities feel clemency is advisable.

Will Test Hulls

Washington, March 30 (AP)—The navy is going to test the hulls of three ships with underwater explosions. Conventional non-atomic explosives will be used, the navy said today. The tests will begin next month in Chesapeake Bay and continue into May and June.

Bandit Province

Hunan, province of China, about the size of Idaho, has about 400,000 bandits. One of its cities, Iyang, changed hands among gangs about 70 times in a single 12-month period.

NEW YORK LIFE INSURANCE COMPANY

A Brief Review of the 103rd Annual Statement to its Policyholders

Assets . . . The assets, held for the protection of the Company's life insurance and annuity contracts and to meet other obligations, totaled \$4,234,184,598 at the end of 1947. Bonds and stocks are valued in conformity with the laws of the several States and as prescribed by the National Association of Insurance Commissioners.

Liabilities . . . The Company's insurance and annuity reserves and other liabilities aggregated \$4,003,065,874 at the end of 1947. Surplus funds held for general contingencies totaled \$231,118,724.

Reserves . . . At the close of 1947 the Company reached a major objective in its program for strengthening insurance and annuity reserves. All of its life insurance reserves are now held on an interest basis of either 2½ per cent or 2 per cent. All of its annuity reserves are on a 2 per cent basis. The program of reserve strengthening, which was undertaken to protect the interests of policyholders, has given recognition to the effect upon the Company's net earning rate of exceedingly low yields on high-grade investments. Policyholders can take renewed assurance from the knowledge that the Company has an overall reserve basis as strong as, if not stronger than, that of any other life insurance company in the country.

Mortality Experience . . . The Company's mortality experience in 1947 was favorably low. In November of 1947 the Company adopted for its new series of policies a mortality table based on more recent mortality experience and therefore, in the years to come, the margin between "expected mortality" and "actual mortality" experience should not be so great as in the past.

Expenses . . . The Company, in common with practically all individuals and businesses throughout the country, quite understandably has been affected by rising costs of materials and wages. Continued efforts are being made to improve efficiency and effect economies without impairing the essential services rendered by the Company.

Interest Earnings . . . While the rate of interest earned by the Company in 1947 exceeded the rate required to maintain reserves because of the Company's program of reserve strengthening, the rates of return available on new investments of high quality continued low throughout the better part of the year. However, in the closing months of 1947 there was an encouraging upturn in interest rates on new investments which it is hoped will continue.

Dividends . . . The provision for 1948 dividends to policyholders is \$37,151,312, as compared with \$41,730,229 for 1947. The amount available for dividends was affected by the low yields from prime investments and increased expenses due to higher costs of materials and wages, as well as by the Company's program of strengthening reserves mentioned above.

Termination Dividends . . . The Company has declared termination dividends payable in 1948 on life insurance policies in certain categories. Such dividends, which are in-

cluded in the provision for 1948 dividends to policyholders, become payable as the policies in these categories terminate in 1948 by death, maturity or surrender for cash after having been in force at least twenty years.

Surrender Allowances . . . For the year 1948 the Company has adopted a plan for allowance of amounts in addition to contractual cash values under life insurance policies issued before June 1, 1944 which during 1948 are surrendered for cash. This plan has been made possible because of the Company's having completed the major steps in its long-range program of strengthening insurance reserves which has been in progress for several years.

New Series of Policies . . . On November 17, 1947 the Company introduced a new series of policies with cash and other non-forfeiture values based on the Commissioners 1941 Standard Ordinary Table of Mortality and interest at 2 per cent. In the Company's series of policies issued from June 1, 1944 to November 17, 1947, such values were based on the American Experience Table of Mortality and interest at 2½ per cent.

Life Insurance in Force . . . At the end of 1947 the Company's life insurance in force exceeded nine billion dollars, which was the largest volume of protection in force in the Company during its entire history. Policyholders have \$9,063,604,614 of life insurance protection under 3,683,297 policies. This was \$520,296,199 greater than at the close of the previous year.

Sales . . . Sales of new life insurance during 1947 totaled \$857,384,000. In the amounts of sales and life insurance in force, Family Income policies paid for in 1947 are reported on a higher basis than in previous years. This change has been adopted to conform with the customary practice among many other companies. On a corresponding basis, sales of new life insurance in 1947 were approximately 2½ per cent less than the sales in 1946.

Payments to Policyholders and Beneficiaries . . . During 1947 the Company's total payments to policyholders and beneficiaries aggregated \$196,798,797. Of this amount, living policyholders received \$115,716,396 and the beneficiaries of 19,804 policyholders who died received \$81,082,401.

A Nationwide Organization . . . The Company does business in each of the 48 States, the District of Columbia, Alaska, Hawaii and the Dominion of Canada. While national in scope, the New York Life is very largely local in its operations in providing services to its policyholders through 138 Branch Offices in principal business centers, as well as through its sales organization of over 5,600 agents located throughout the United States and Canada.

Wm. L. Harrison
President

STATEMENT OF CONDITION

December 31, 1947

ASSETS		LIABILITIES	
Cash on hand or in banks	\$ 41,558,001	Reserve for Insurance and Annuity Contracts:

Today's biggest power bargain

It's a Complete New Buick Engine and We'll put it in Your Car at a Price You'll hardly Believe

YES sir, here's a big bargain for Buick owners—a brand-new straight-from-the-production-line Fireball engine. We'll put it in any Buick from 1937 models on up.

We'll take out your old mile-weary engine, put this one in, and make your car brand-new again as far as power is concerned.

Pep and snap come back—right up to 1948 standards. You get new-engine mileage from every gallon of gas. Oil consumption drops. And you enjoy the thrill of the liveliest, most responsive engine on the road today—the same engine that makes Buick the

snappiest car on the highways.

Think what this will mean to you—in comfort of driving—in new dependability—in sheer fun. Think of the extra worth of your car when it comes time to turn it in.

As to cost—it's so moderate it makes this change-over today's best power buy. Installation cost varies somewhat with car model. But we'll be glad to give you the figure down to the dollar if you'll drive around.

Don't put it off. Make up your mind to drive a 1948-powered car now. Come in and talk it over.

WHY WE CAN MAKE THIS OFFER

Out at the Buick plant, engine production is going great guns. It's stepping along faster than complete car output. So we have these brand-new engines ready to put in your car right now.

Quick Starts and Driving Zip

This 1948 ignition system with centrifugal and vacuum automatic control puts snap and go into starting and get-away.

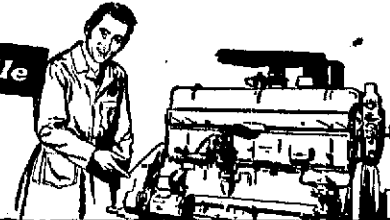

Most for your Gas

An up-to-the-minute, efficient carburetor and air cleaner give new smooth power and most miles from every gallon of gas.

A Delight to Handle

A "smoothie" if there ever was one! This new clutch with its easy, toe-touch response makes driving more fun than ever.

Luck With Shoes

Berlin 27. Passengers in a Leipzig street car waiting for a train to pass a crossing were given the chance of a German lifetime. A carload of shoes, virtually impossible to buy in Germany, was derailed. Before the police arrived, the car was emptied.

Spain Gets

Continued from Page One
thing the Chinese government wants.

Would Remove Cash

Chairman Bridges (R-N. H.) of the appropriations committee has said he intends to try to take \$50,000,000 of the economic fund, add it to the \$100,000,000 and definitely mark all of that sum for military purposes.

The Senate is handling foreign aid in batches. It already has passed a \$5,300,000,000 European recovery program and \$275,000,000 in military assistance for Greece and Turkey.

The House put E.R.P., China, Greece and Turkey into one measure.

Later on Senate and House will have to get together on their differences.

It will take more speed than the House showed yesterday to get its single package bill passed by tonight. Only four amendments, mostly minor, were voted upon yesterday. All were turned down.

The rest of the time was spent in debate over whether the aid program will be in safe hands. Member after member demanded assurances that no Communists or anyone disloyal to the government will have a part in administering the aid.

Still dangling when the House quit for the day was an amendment by Rep. O'Konski (R-Wis.) to deal Spain in on the European recovery plan.

Rep. Vorys (R-Ohio), in charge of the aid bill on the floor, told newsmen the Foreign Affairs committee showed in its report on the measure to the House that it would like to see Spain included.

Says Nations Object
But the 16 western European nations which got together and agreed to help themselves and each other under an American assistance plan decided not to invite Spain to join them.

"The question is," Vorys said, "whether it would be appropriate for Congress to dictate to this union of 16 nations what its membership should be."

"There have been some indications, however, that relations between Spain and the western group of nations are improving and that its eventual participation appears hopeful."

O'Konski called Spain the "greatest bulwark against Communism." He said Spain was barred originally because of fear of Soviet reaction, at a time when a policy of appeasing Russia prevailed.

Cracker Spread

Crackers with a mild cheese spread makes good fare, along with milk, for after-school appetites. Another good cracker spread is made by combining peanut butter with chopped raisins.

A device which automatically adds distilled water to an automobile battery has been invented.

PORTRAIT OF A CANDIDATE

Possible illustration for a campaign poster is this new portrait of General of the Army Douglas MacArthur, whose gold-braided cap is in the presidential-candidacy ring.

PORT EWEN

Port Ewen, March 30—Girl Scouts of Troop 19, planning to attend the roller skating party on Wednesday, are to meet at Shaver's bus line by 6:30 p. m. Consent slips are to be presented from parents before the Scouts enter the bus.

Mr. and Mrs. Robert Shultis of New York who were the week-end guests of Mrs. Shultis' parents, Mr. and Mrs. Bert Johnson in Sleightsburgh have returned home.

Mr. and Mrs. Warren Howe and son, Warren, were Sunday guests of Mrs. Howe's parents, Mr. and Mrs. S. P. Tinney.

Sgt. Robert Johnson who was stationed in Japan for the past 18 months has received his honorable discharge. He has returned to his home in Sleightsburgh.

The Port Ewen bus will leave the Town of Esopus Auditorium on Friday night, April 2, at 7 o'clock for Saugerties where the Port Ewen Drum Corps will present its minstrel show. A nominal

transportation fee will be charged. Tickets for the show may be purchased at the door.

Girl Scout Troop 19 will not meet until after Easter vacation. Mr. and Mrs. George Johnson and daughter, Maureen of Hurley were the Easter day guests of Mr. Johnson's parents, Mr. and Mrs. Bert Johnson at their home in Sleightsburgh.

The Girl Scouts of Port Ewen will sponsor movies in the Town of Esopus Auditorium on Friday night, April 2. Tickets are on sale.

Mr. and Mrs. John G. Reynolds and Reginald Van Leuven of Port Ewen and Mr. and Mrs. Jack Reynolds of Kingston attended the wedding of Thomas Stanton Wayne, son of Mr. and Mrs. Thomas Wayne of New Windsor, and Miss Katharine Louise Kunn, daughter of Mr. and Mrs. Gordon W. Kunn of Willow Drive, New Rochelle, at the Blessed Sacrament Church, New Rochelle, Monday. Mr. Wayne is a nephew of Mrs. John G. Reynolds.

First carpet factory in the United States was established at Philadelphia in 1791 by W. P. Sprague.

Highland Boy, 9

police said. They reported they lacked details as to how the boy fell from the boat, and knew only that he fell into the deep water while he was playing with the other two.

The body was turned over to C. B. Carpenter, Highland undertaker, following the coroner's investigation.

First U. S. presidential convention to admit women delegates was that held by the Progressive Party at Chicago in 1912.

Will Reject Request

Prague, March 30 (AP)—Czechoslovakia announced today she will reject any request to answer charges before the United Nations that Russia intervened in the recent Communist coup. The charges were brought by Chile. The Foreign Ministry, giving the country's stand, did not indicate whether a request for appearance had been made. The Chilean accusation was termed "a frivolous suggestion."

A whole series of tough, serviceable new paints from lactic acid has been developed.

Negotiations Are Certain

Hammond, Ind., March 30 (AP)—Early renewal of contract negotiations designed to settle strikes of A.F.L. printers against several of the nation's newspapers appeared certain today. The A.F.L. International Typographical Union said new contracts are to be offered publishers of the struck newspapers by all striking local unions and will comply with a Federal Court order. This will mean fewer union demands.

It is estimated that ice on the North American continent reached a thickness of 10,000 feet during the ice ages.

South Has Had Too Much Rain, Planting Behind

Atlanta, March 30 (AP)—Down south where the sugar cane grows it has been raining heavily—much too heavily.

In between the cane fields of Louisiana and Florida and northward along Dixie's sprawling cotton belt the rain also has come down in torrents. The same was true in the more northerly states of Kentucky and Virginia where grain, livestock, tobacco, peanuts and fruits are major crops.

Finally, the spring sun did shine. But the farmers and their helpers were from two weeks to a month behind with their spring work. They were behind in Arkansas, Louisiana, Mississippi and Alabama. They were behind in Florida, Georgia and the Carolinas. And they were behind in Tennessee, Kentucky and Virginia.

Now farm hands and owners are busy all day and part of the night, eager to make their full contribution to the nation in such things as:

Cotton, tobacco, peanuts, peaches, watermelons, citrus fruit, strawberries, yams, artichokes, sugar cane, rice, fresh vegetables of many varieties, fish, potatoes, beef, pork and some grain and corn.

These and dozens of other items for the nation's pantry, wardrobe and what have you they are the products of the farm men and women of the southland.

What Are Prospects?
And what are the prospects for 1948?

Well, it's hard to say. It will depend on the weather from here on out. It will depend on how well Dixie's farmers fare in the age-old battle with bugs, plant diseases and such problems as help, machinery and fertilizer.

Staples such as cotton, tobacco, peanuts, potatoes and rice will all be affected by the same factor—the lateness of spring preparation and planting and the resultant added hazard of a short crop season. Another handicap is a short age of an essential fertilizer, nitrogen, the element that helps produce green, rapid growth. Potash, another important fertilizer, also is short in some areas.

Generally, the outlook is from fair to good, depending, of course, on development.

Tobacco, a tremendous money crop in seven southern states, will be grown this year on a greatly reduced acreage. The Department of Agriculture slashed acreage allotments for the flue-cured or cigarette type 27.52 per cent from last year in expectation of a lighter export demand. Flue-

cured is grown in Florida, Georgia, the Carolinas and Virginia. Quotas for darker types produced in Kentucky, Tennessee, North Carolina and Virginia also were cut; but, however, only two per cent.

Dixie's specialty crops are something else again. Here is a quick look at some of them.
Citrus—Florida growers of oranges, grapefruit and tangerines are in tears. They produced a bumper current crop but while the prices of everything else was going up, citrus prices went down. The growers are all optimists though. They are getting ready next year to plant an even bigger crop—maybe 120,000,000 or 125,000,000 boxes, or a third more than the present crop.

Peaches—An Easter Monday frost settling on the pink blossoms and buds all the way from the Shenandoah southward down through Maryland, South Carolina to mid-Georgia made a big dent in the peach crop. Growers estimated the damage from 10 to 95 per cent. Some thought the loss, running into thousands of carloads, might cut the prospective yield to produce only about 14,000,000 of them this year compared with 16,000,000 last year. But there'll be the early Florida crop and good yields in Alabama, South Carolina and other states.

Sweet potatoes—Rot and other diseases have been playing havoc with the traditional southern crop. Sugar cane. The outlook in Louisiana is not too good, again because of the weather, but the growers are going ahead with their stubble-shaving and other planting preparations and hoping for the best. Hurricanes and floods did some damage to the Florida crop which now totals about 120,000 tons annually—nothing like Louisiana's, but still quite a contribution to the nation.

Fresh vegetables—These are grown in so many states and under so many varying conditions that no general size-up is possible. Florida winter gardens suffered from storms and floods. The spring outlook generally is favorable.

Apples—The Virginia crop, the principal one in the south, was almost halved last year by a mid-May frost. Shenandoah valley orchardists, looking at a week of summer-like weather this month, are fearful that the trees are coming along too fast and may suffer a similar disaster this year. The Virginia crop is normally well over 10,000,000 bushels.

Second Only to Delaware
Broilers—The North Georgia area around Gainesville now claims to be second only to Delaware in broiler production. Last year's output was some 20,000,000 broilers worth \$20,000,000. Prices are satisfactory and operations are expanding, although poultrymen complain feed is "sky high."

As for standard agricultural output, the south as a whole has long been a deficit area in meat, poultry and dairy products and feedstuffs necessary to yield them. Leaders have prophesied a change, partly as a result of saving measure and partly as sound economy.

A sweeping movement toward more self-sufficiency in this respect now appears from Virginia to Louisiana. Old-time cotton farmers, especially in the hilly areas, are seeding fields to clovers, alfalfa, grasses and other legumes, developing pastures, grazing cattle herds and feeding poultry flocks.

Farmers Spend More Money to Aid Soil

Syracuse, N. Y., March 30 (AP)—New York farmers spent more money last year on soil conservation projects performed by state experts than ever before, district directors of the State Soil Conservation Service were told today.

State Conservationist Irving B. Stafford reported to the directors at their fourth annual statewide meeting that farmers in the state paid a record \$450,000 to soil conservation districts in 1947 for heavy equipment and labor.

An additional \$180,000 was paid direct to contractors for soil conservation and drainage installations planned and supervised by the districts, Stafford said.

Reforestation of eroded, worn-out lands is booming. But cotton is still king over most of Dixie, burning Kentucky and Virginia. Its growers, especially on the thin soils, face two staggering problems.

One is the challenge to keep production costs down to compete with other fibres, such as rayon, and with other favored cotton growing areas of the nation and the world.

The other nemesis of the southland's cotton growers is the boll weevil.

Ever since the boll weevil crossed the Mexican border more than a generation ago, southerners have been battling it. It has cost them billions of dollars in crop losses and the fight still goes on.

Dixie farmers, in common with those of the rest of the nation, also are plagued by problems of labor, machinery and feed costs. They also are worried about farm prices but generally they are hopeful on this point if they can keep costs down.

Will Go to Agencies

Albany, N. Y., March 30 (AP)—The New York State Food Commission said today it would transfer operation of its nutrition program to official state agencies on April 1. Governor Dewey created the commission last October to direct New York's Emergency Food Conservation Program. The commission will continue to serve in an advisory capacity. Dr. Hillebrand and the New York city office will be continued until June 30.

Estate Goes to Charity

New York, March 30 (AP)—Dr. Louise C. Ball, oral surgeon who died in 1946, left a gross estate of \$618,628, an estate tax appraisal disclosed yesterday. The entire estate was willed to charity. Bequests included a \$10,000 gift to the Warburg Orphan's Farm School at Mt. Vernon, N. Y.

Archbishop Dies

Rome, March 30 (AP)—Dispatches from Pompei today said Archbishop Antonio Anastasio Losso, 83, titular patriarch of Constantinople (Istanbul) and pontifical delegate in Pompei, died last night.

NAPANOCH

Napanoch, March 29—Superintendent of Schools L. J. Roosa of Stone Ridge was a visitor at the school here last Wednesday.

Mr. and Mrs. Herbert Sutherland of Catskill spent Sunday with relatives here.

Mr. and Mrs. Vernon Kelder of Riveredge, N. J., enjoyed the past week-end with Mr. and Mrs. Arthur Kelder.

The Rev. and Mrs. Francis M. McGuire spent Saturday in Kingston.

Miss Ethel Rikert of New York has been visiting at the home of Mr. and Mrs. Edwin C. Chase for a few days.

Mr. and Mrs. Virgil Van Wageningen of Troy and Miss Barbara Barber of Albany enjoyed the past week-end with Mr. and Mrs. Neal Van Wageningen.

Sgt. John Coombs of Fort Bragg, N. C., has been spending a few days with his family here.

Joseph Grable has returned to his home after spending his vacation in Florida.

Mr. and Mrs. Floyd Kelder visited relatives in Kingston Sunday.

Eugene Van Wageningen has received his discharge from the army and is now at the home of his parents, Mr. and Mrs. Neal Van Wageningen.

Mr. and Mrs. Allen Conklin have purchased the Hennessey property on Huguenot street.

Mrs. George Tobel has returned home after enjoying a stay with relatives in Massachusetts.

Thomas Irish, who has been discharged from the navy, is spending some time at the home of his parents, Mr. and Mrs. James Irish.

Dr. and Mrs. Arch Freer of Jeffersonville visited Mrs. James Gosselin one day recently.

Nearby Resigns

Albany, N. Y., March 30 (AP)—Governor Dewey accepted today with "a sense of great loss" the resignation, effective tomorrow, of Edward J. Neary, 55, as director of the State Division of Veterans' Affairs. Neary, head of the division since its establishment in 1945, is returning to private law practice. He noted in his letter of resignation that he had agreed to serve only until the agency had been organized and said the division "no longer needs my personal attention."

To Establish Library
Albany, N. Y., March 30 (AP)—

The establishment of a regional library center on an experimental basis has been approved by the State Board of Regents. The site will be determined later. The

State Education Department said yesterday the library would purchase books for loan to local libraries, catalogue holdings of libraries in the region and facilitate

inter-library loans. The project will be financed by a \$100,000 allocation in the supplemental state budget approved last week by Governor Dewey.

Youth Program Is Aired by Lutzin At Meeting Here

Woodstock, March 30—Sidney Lutzin, recreation program assistant, New York State Youth Commission, outlined the commission's program to a small group of interested residents at an informal meeting held in the Town Clerk's office Friday night. Town Supervisor, Kenneth L. Wilson, presided at the meeting.

Lutzin told the group that certain funds were available to municipalities for recreational programs and that the State Youth Commission will reimburse any municipality for 50 per cent of its expenditures on new or added recreational activities up to a maximum amount which for the town of Woodstock would be \$1,000. The Commission will not make any reimbursement for capital expenditures but will approve reimbursements up to the maximum amount for leadership salary, grading, levelling, purchase of equipment and supplies, and any necessary recreational program expenses.

It was pointed out that such programs should include social recreation, arts and crafts, game, sports and athletics. The latter, however, should not be more than 20 per cent of a good program. He continued, "In this type of community you have a real opportunity for a broad program because of the skills so many people here have as professionals. The type of thing recommended in our programs would not compete with schools teaching arts and crafts but rather has a tendency to develop skills and interests which lead the young people to such schools for more complete training. Our purpose is to develop skill and interest in activities for idle time."

There are now over 500 of these recreational programs in the state and it was learned that by summer, there should be well over 600. Also of interest is the fact that 70 per cent of all municipalities having a population over 5,000 have such a program and that over 35 per cent of all municipalities in the state have recreation programs.

Lutzin recommended that for a permanent basis, a recreation commission had proved to be most satisfactory. These commissions are comprised of five members, elected to serve for periods of

five, four, three, two and one years. In this way, one new member was elected each year. The reason given for the preference of a commission was the long range planning required for a worthwhile project. However, he did state that many communities found it satisfactory to appoint a temporary committee in the beginning.

Another suggestion made by the speaker was that an initial survey of the young people be made to ascertain their desires for such a program. He said "many times we think we know what the young people want and we find we don't know at all."

A question which has been of in a recreation program was cleared up by the speaker when he stated that it was not necessary for the town to own the land on which the project is carried out. A lease held by the town is sufficient for this purpose.

Transportation for children in the outlying districts of the township was also discussed and it was learned that such transportation should be included in setting up the budget. The initial funds for starting this much needed program in the town of Woodstock will be given by the Woodstock War Memorial Association. This money was received by the association from residents who contributed during the recent drive sponsored by this group. It is anticipated that at least \$1,000 will be available for the work. At the last meeting of the association, Mrs. Julia Lewyck, chairman of the finance committee, stated that numerous persons who did not contribute during the active campaign, would do so when the playground and recreation program got under way.

Wilson Appoints Recreation Unit

Woodstock, March 30 — At a special meeting of the Town Board Saturday night, Supervisor Kenneth L. Wilson appointed a recreation committee to function immediately in conjunction with the Town Board for the purpose of starting a suitable recreation program in the town without delay. This committee, which will serve for one year, includes Bill West, chairman; Albert Graesser, Montecena DeWitt, Warren Huffy and Joseph Forno. In naming his committee, Supervisor Wilson stated that these men had long been known for furthering the interests of the young people in the town.

It was learned that the program will be for those from five to 21 years of age. Children under five years may use the facilities provided they are accompanied by their parents. All monies turned over to the town for playground work will be placed in a special fund and be used only for that purpose. Quarterly reports of expenditures will be submitted to the Youth Commission for reimbursement. This procedure eliminates any possibility of delaying the program for lack of funds. Another important consideration is that in an emergency the Town Board is authorized to borrow money from its surplus funds and repay such

loan when the state reimbursement is received.

Looking to the future, should contributions through the Memorial Group not be sufficient to maintain the program, it would be possible to continue the work through the cost being included in the school budgets. Should this need arise, it is understood that the geographical locations of the various districts would be considered. District 2, being the largest district in the town, could be expected to assume the major portion of the expense.

The following resolution was adopted by the board:

"Whereas, it is the intention of the Town Board of the Town of Woodstock to establish a recreation center, and,

"Whereas, the Town of Woodstock is about to submit an application for such a project to the New York State Youth Commission for its approval, therefore, be it

"Resolved, that such application is in all respects approved and Kenneth L. Wilson, supervisor, is hereby directed and authorized to duly execute and to present said application to the New York State Youth Commission for its approval, and if approved to apply subsequently to the State of New York for partial reimbursement of funds expended on said project as provided by Chapter 556 of the laws of 1945, as amended."

Before adjourning, it was suggested that the newly appointed recreation committee meet with Supervisor Wilson Monday evening. Following the meeting and the very near future, this committee will be requested to submit a workable program for this year and to select a leader qualified to carry out the program.

Painting Sold

Woodstock, March 30—Walter Stabler, Gananoque, Ontario, who was a holiday guest of Mr. and Mrs. John H. Striebel, purchased a painting done by Wilna Hervey while in Gananoque last summer. According to Miss Hervey, Mr. Stabler will reproduce her work in postcard form for sale throughout the area.

ESSO STANDARD OIL COMPANY ANNOUNCES

PRICE REDUCTIONS

ON MORE THAN 350 PRODUCTS

The following reductions are effective at once.

Heating Oil and Kerosene.

A special summer "fill-up" discount to September 1st of 7/10 of a cent per gallon below our regular price at time of delivery.

(NOTE: This is to accomplish a double purpose. First, it means dollar savings to our customers. In addition, it should help in the vital job of getting every oil user to have his tank full when cold weather comes. Full tanks at the start of the heating season will help substantially by lessening the effect of transportation and distribution difficulties during the winter months).

Bottled Gas. (PROPANE)

A reduction of 1/2 cent per pound in cylinders to all customers.

Farm Tractor Fuel.

A reduction of 1/2 cent per gallon.

Roofing Asphalts.

A reduction of 5% in all grades.

Industrial Lubricants.

More than 325 industrial lubricants, greases and cutting oils reduced by varying amounts up to 25%.

Our gasoline prices are not being reduced. These prices have been held behind the trend of prices generally and are low today as compared to prices of almost all other commodities.

Altogether, we estimate these price reductions will directly benefit more than 1,000,000 consumers of our products. Indirectly, these reductions should help to reduce the cost of living for many millions of people.

For further details, get in touch with
your regular supplier of Esso products.

SHOKAN NEWS

Shokan, March 30—Mr. and Mrs. Matthew Gallagher of Brooklyn were weekend guests at the home of Mr. Frank Harringer and Mr. and Mrs. Frank Avery. Mrs. Gallagher is a niece of Mrs. Harringer.

Mr. and Mrs. T. Lynch of New York returned from a trip to the Adirondacks, returning Sunday after spending a few days at the Lynch summer home near Tice Tenkysk mountain. Mrs. Lynch is employed in Tinton, N. J.

Frederick Herschenroeder, formerly acting postmaster at Shokan, is reported as being at a hospital where he recently underwent a major operation. Mr. Herschenroeder has been employed on state road work for the past two years.

Irrigating Vets with one of the Weeks & S. trucks made a trip to the Adirondacks and returned last week. The army air forces veteran made the 25-hour trip south in transport equipment used by a troupe of dare-devil auto performers near Kingston last week. The longest trucking trip yet made has made through the covered distance between Shokan and the Saratoga coal fields scores of times.

Thursday, March 30—West Hurley, N. Y. Mr. and Mrs. Marcus Ostrander, the owners of Port Eben, and Mr. and Mrs. Harvey Ostrander of West Park spent Easter with Eugene Ostrander and family and had their farewell dinner at the old home. . . . Children of Mr. and Mrs. George Scriber of the Marbletown road are recipients of a pony outfit from their grandparents. Mr. and Mrs. Sylvester Keegan of Olive, N. J. C. Douglas expects to move Friday to his home at Ulster Park. Matthew Williams is moving his family into the Douglas house here.

Mr. Henry Oakley, the former Mill Hill, of Stone Ridge was a guest Sunday at the home of her relatives, Mr. and Mrs. Fred Weeks.

Wednesday, March 30, 1948: Montma—Mr. and Mrs. Walter Burdell are all smiles over the arrival of a big boy at their home Saturday, March 26. . . . Mrs. Oscar DeGruft and Mrs. Mable Stone attended the carpet rug sale at the home of Mrs. Granville Yerry Thursday. . . . Written best: Alfred Wispell died after a long illness. . . . Happy's Sons have bought a box of oxen from C. L. Short. . . . Recently, Sherman Short moved Walter Gardner's furniture here from Canaan and Mrs. Myers moved Joseph Wispell's household goods from Walter Emory's home to the Henry Gardner cottage. . . . "Came" Fisher of Woodstock bought two yoke of oxen from F. & E. Hippy last week.

Officers of the Ashokan Baseball Club for the current season include the following: Robert DuBois, manager; John Thayer, assistant manager; and Chester Lyons, Jr., treasurer.

Several heats of aluminum sheet roofing were laid from the front of William J. Lee of Inwood, N. Y., using the heavy gale Sunday night, March 21. An insulating cover of roofing paper served to protect the interior from air during pending repairs.

Men of Ulster: One of the early general storekeepers in the old village of Shokan was Eberhart R. Matthews who was born in Olive September 11, 1828. Mr. Matthews was first engaged in the lumber business and also followed farming and quarrying for a number of years. He was engaged in general merchandising and took over the store business of Hoyt Bros., operators of the Shokan turnpike. Removing to the west side of the Esopus Creek, he built a store and residence there, selling out his business three years later to his son, Dancy N. Matthews, and his son-in-law, James M. North. He was the first to ship coal into the town and was a dealer in that fuel; he did some farming in a deal in Canadian horses and at the gulf road from the road of Watson Hollow through Pukamoose. Mr. Matthews was a staunch Republican and a member of the Shokan M. E. Church. He was married Feb. 18, 1848, to Sarah E. North, daughter of Samuel and Hannah (Hollister) North. Eleven children born to the couple were: Dancy, Oliver Ann (married J. H. North), Watson, Willie, Samuel, Mary, Everett, Cora (married U. G. Boile), Freddie and Dora. De-

scendants of Mr. Matthews include Miss Bertha Matthews of Kingston and Delancey Boice, grandchildren, and Leo Boice of Catskill, a great-grandson.

Shokan, March 29—Mrs. John Leacock, Sr., left Shokan last week to spend Easter with friends in the metropolitan area. John Leacock, with the assistance of Ray Cudney, is parking the Rotherford woodlot on the west side of the Ridge Road. John has some good oak timber there which he leaves standing and takes most of the soft maple and dispersed red and rock oak for summer firewood.

The condition of Mrs. Harry Weeks of Route 28 does not show much improvement, according to reports received from the local maternal bedside at the Benedictine Hospital where she has been a patient for the past several weeks.

Henry Gebhelein recently killed one of his big red roosters which tipped the scales at 13 pounds five ounces. This giant of the poultry world would seem to attest the occasional assertions of Henry's friends that he raises the largest chickens they "ever saw."

Duane Whittle and John Thayer, Ashokan mountain road young men who are collecting scrap-iron this spring, took a truck load of junk to market the other day. Current prices in Kingston is 65 cents a hundred. One would think that every piece of cast-off iron in the mountains had been picked up during the war years but there always appears to be some left.

It is recalled that the late William Persenous had about the best pickings in this line when he cleared scrap from the ruins of the old village in waterworks days. Perhaps the one bit of old iron which "Bill" and others failed to collect, however, was the hitching post, set securely in a stone base, in front of the Delilah Bush home along the old Plank Road.

Special Easter music at the Shokan Reformed Church services Sunday morning was rendered by Mrs. Richard Coons, organist, and the following vocalists: Mrs. John Adels, Mrs. F. Weeks, Mrs. G. Persenous, Priadella Tandy, Velma Persenous, Estey North, Homer Markle, Jr., Donald North and Harry Persenous. The pleasing decorations of cut flowers and potted plants at the front of the church auditorium included a large basket of blooms in memory of the late Mr. and Mrs. DeWitt C. Davis and Mr. and Mrs. Golden Van Benschoten of the old village of Shokan, as provided by western relatives of the two couples.

Alva Buley, Sr., last week hauled loose hay from the Tonche section to the barn of Rudolph Rossmann who in 1947 bought the Otto Rossmann place of Charles Selinger. Mr. Rossmann is keeping two cows this spring.

Tongore Tess doesn't think that Sir Walter Raleigh, who spread his cloak in the mud for the girl friend to walk upon, was such a much. "Why," queries Tess, "didn't the poor boob pick the girl up and carry her across?"

Mrs. Nicholas Economos and

We coeds study hard—that's why Exams don't make us late-bewallers. Our vim and vigor keep sky-high By drinking Grade "A" coffee—Ehlers!

The Iceman Wadeth

Not even flood waters that coursed through streets of Canton, Mo., could stop these intrepid icemen from making appointed rounds.

Largest Painting

What was said to be the largest mural painting in the world is located in a Massachusetts theatre. The painting covers an area of more than 5,000 square feet.

Highest temperature recorded for the western Sahara desert is 132.8 degrees Fahrenheit, according to the Encyclopedia Britannica.

U. S. Gift

One modern building in San'a, capital of Yemen, is a radio tower. The tower and its radio station were a gift of the United States.

Accident Victims

New York City—One out of every three U. S. children who die during school age is an accident victim.

Powerful Kilowatt

The work in just one kilowatt hour of electricity equals the energy expended in climbing to the top of the Washington Monument 35 times.

Gun for Dampening

A clean spray gun is a handy help in dampening clothes. Fill the gun with water, spray the article and roll it up.

HIGH FALLS

High Falls, March 29—Master Allan Schwartz is spending his vacation with his grandparents, Mr. and Mrs. Abram Yavria.

A daughter, Linda Judith, was born in the Benedictine Hospital last Saturday to Mr. and Mrs. Charles Stokes.

Miss Alice Krom has been spending a week's vacation at her home here. Miss Kate Krom was expected for last week-end and next week. Tuesday afternoon, Miss Alice Krom was surprised on her birthday by the presentation of a cake by Mrs. Wallace Fulford. Several guests were present.

Miss Anita Abrahamson of Rider College, Trenton and Miss Patricia Davenport of St. Lawrence University of Canton have been spending their spring vacation with their parents here this week.

Miss Florence Feth of New Paltz State Teachers' College is one of the accompanists of the community chorus of the college in the recent public appearances.

Mr. and Mrs. Robert Hamm were entertained at dinner by Mrs. Hamm's parents, Mr. and Mrs. Dewitt Oakley of Stone Ridge last Friday in honor of Mrs. Hamm's birthday.

Mrs. Leroy Krom has returned home after caring for Mrs. Henry Eltinge of Kingston.

Mr. and Mrs. James Krom and daughter Marilyn, of New Paltz and Mr. and Mrs. Raymond Krom of Poughkeepsie were callers in town Saturday evening.

The following were neither absent nor tardy during the month: William Ayers, Gloria Schleede, Youler Schleede, Inge Koenig,

Gloria Lounsbury, Theda Sutton, George Smith, Ruth Gauslaa, Lee Bach, Florence Adams, Ann Scherrieble, Kenneth Tokle, Robert Andersap, Barry Ayers, Joan Ayers, Warren Belmont, Allan Hoppe, William Lambertson, Martha Larsen, Edmond O'Hara, David Raak, William Ploss, Florence Schleede, Valerie Smith and Suzanne Storozuk.

These students had the most "A" papers in each grade during the month: First—Martha Larsen and Michelle Frear; second—Betty Jane Hutchins and Donna Homfield; third—Marie Wallewik; fourth—George Smith; fifth—Florence Adams; sixth—Ruth Gauslaa; seventh—William Ayers; eighth—Youler Schleede.

The April meeting of the Mothers' Club has been postponed to Monday afternoon, April 12, due to the Easter vacation. At this meeting Mrs. Hamm's room will entertain and Mrs. Jansen's room will give one of its plays which had to be put over from last month due to illness. The meeting will open at 2 p. m.

Miss Nancy Williams of Phillipsport is spending some time with

her grandparents, Mr. and Mrs. George Williams.

Labor Note...

The average man works 40 hours a week—
The average housewife works 63 HOURS A WEEK!

Eight hours a day, five days a week . . . but, what about your wife? Well, one expert figured it out—63 hours a week!

Yes, keeping house is a time-consuming job, but it's a lot easier than it used to be—thanks to low-cost, dependable electricity. Today, electricity does more jobs around the house than ever before and its value will continue to grow. There

are no foreseeable limits to its usefulness.

That's why we are now in the process of spending \$1,400,000 to increase the capacity of the electric supply system—so that you, the housewife, may have more electricity at your finger tips, to help shorten your hours of work and to help make your work easier.

Catskill Glee Club

Catskill Glee Club gave a concert at the Hensonville Methodist Church Monday evening under the auspices of the Hensonville Lodge No. 508, I.O.O.F. In addition to the choral groups several groups of solos and ensemble numbers were sung.

John Haber Marries Audrey McGowan At Church Rectory

The marriage of Miss Audrey McGowan, daughter of Mr. and Mrs. Michael McGowan of 220 East Union street, to John Haber, son of Mr. and Mrs. John Haber of 46 Grand street, was performed Easter Sunday at 2 p. m. in St. Mary's Rectory. The Rev. John A. Flaherty officiated.

The bride wore a white satin gown, a copy of Princess Elizabeth's wedding gown. Her finger-ring veil was attached to a crown of rhinestones and seed pearls. She carried a shower bouquet of white roses.

Miss Betty McGowan, as maid of honor, wore a blue tulle gown with marquisette yoke and carried pink roses.

Farrell McElvath, acted as best man.

Following the ceremony, a reception for 175 guests was held at Haber's Grill. Music was furnished by Pappy Dietz and the Singing Sons of the Saddle.

Mr. and Mrs. John Haber, Jr., left on a wedding trip to New York city. For traveling, Mrs. Haber chose a dusty pink suit with navy accessories and a corsage of yellow roses. Upon their return they will reside at 46 Grand street.

Club Notices

Baptist Circle 1
Circle No. 1 of the First Baptist Church will meet with Mrs. Cyrus Carle, 148 O'Neil street, Wednesday 2 p. m.

Junior Married Women

Junior Married Women's Club will meet at the Y.W.C.A. Thursday night at 8 o'clock. Dr. Robert F. Moseley will speak on the new tumor clinic for Kingston and a cancer film will be shown. At Reception

MR. AND MRS. JOHN HABER

Miss Audrey McGowan, 220 East Union street, and John Haber of 46 Grand street, were married Sunday in St. Mary's Rectory. The reception was held at Haber's Grill. (John Crosby Photo)

St. James W. S. C. S.

Has All Day Meeting

The W.S.C.S. of St. James Methodist Church held an all day meeting Thursday at the church. An executive meeting at 10:30 a. m. was followed by the study of the last two chapters of a study book, "Great Prayers of the Bible," which were reviewed by Mrs. Clifford Smith, Mrs. John Ennis led the devotional meeting.

After lunch, Mrs. Merrill Johnston introduced Mrs. G. V. D. Hull, who gave an interesting and informative talk on a day's visit she made at the U.N.O. She read the charter and spoke of the great need for prayer.

The business meeting was led by Mrs. Fred Decker, president. Mrs. Frank Dunnagan led the afternoon devotion followed by a program on Japan presented by Mrs. W. E. Finch and Mrs. C. S. Treadwell.

Embalmer School

Graduates Include

Two Area Men

Among the graduates of the Renowards Training School for Embalmers in New York city are W. Sherrill Koyser, 167 Tremper avenue, and Robert L. Breithaupt, Phoenixia. Graduation exercises were held Wednesday, March 24, with Sam Weiss, editor of East-West Funeral Home, as emcee. The association, addressing the graduating class, The Renowards School is one of the oldest institutions of its kind in the country and has been under the personal supervision of Dr. Charles A. Renoward for 55 years.

Among the distinguished guests were William A. Brady, assemblyman for the State of New York; Theodore Fuhrer, New York State Board of Examiners; William A. Walters, president of Metropolitan Funeral Directors Association; George Goodstein, chief of Metropolitan and New York State Funeral Directors Association; Dr. Raymond Treux, neurologist of Medical Center, New York.

A graduation dinner was held recently at which Mr. Breithaupt, president of the class, acted as master of ceremonies. During the entertainment Miss Elizabeth La-Tour, of 259 Hasbrouck avenue sang several selections. Among those attending the dinner were Mrs. H. Lee Breithaupt, H. Lee Breithaupt, 2nd, Phoenixia; Miss Natalie and Miss Elizabeth La-Tour of this city.

Dorothy Gillespie Is Bride

Summer Visitor in Accord

Mrs. William Gillespie of Brooklyn announces the marriage of her daughter, Miss Dorothy Gillespie, to Rufus James Hummel, Jr., son of Mr. and Mrs. Hummel, Sr., Plainfield, N. J. The ceremony was performed in Brooklyn Friday, March 12.

Mrs. Hummel is a graduate of Kings County Hospital School of Nursing in Brooklyn, and is the daughter of the late Capt. William Gillespie. She has many friends in this vicinity, having spent her school vacations at Accord with her grandmother, Mrs. W. R. Gillespie.

Mr. Hummel, a resident of Plainfield, N. J., served as merchant marine officer under Captain Gillespie during World War 2 and is at present a student at Columbia University in New York city.

Mr. and Mrs. Hummel will reside in New York.

Wiltwyck School

Students to Give

Original Plays

A group of original plays written and directed by the students at the Wiltwyck School of Boys will be given at Franklin Street A.M.E. Zion Church Friday evening.

The program will be under the auspices of the Sunday school. Refreshments will be on sale.

Easter Day Wedding

MR. AND MRS. FRANCIS V. SALVINO

Mr. and Mrs. Francis Vincent Salvino leave St. Peter's Church following their wedding Sunday. The bride is the former Miss Barbara Ann Roach, 37 Liberty street. Mr. Salvino is from East Kingston. (Knute Beichert Photo)

Francis V. Salvino, Barbara Ann Roach Wed Easter Day

The Easter Day wedding of Miss Barbara Ann Roach, daughter of Mr. and Mrs. Louis Roach, 37 Liberty street, to Francis Vincent Salvino, son of Mr. and Mrs. Julius Salvino, East Kingston, took place at 2:30 p. m. in St. Peter's Roman Catholic Church.

The double ring ceremony was performed by the Rev. Henry E. Herdegen, assistant pastor.

Miss Nann Goldrick was organist. The church was decorated with lilies and other Easter flowers.

Mr. Roach escorted his daughter. She wore a white slipper gown on train with sweetheart neckline; fingertip veil and carried white roses and sweet peas in a Colonial bouquet.

Miss Teresa Sacca, niece of the bridegroom, of Newburgh, as maid of honor wore a lime nylon net gown with matching mitts and carried a colonial bouquet of lilac sweet peas. Miss Mary Shurter, cousin of the bride, and Miss Agnes Silvino, sister of the bridegroom, bridesmaids, wore lavender net gowns with matching mitts and carried lilac sweet peas.

Louis Aiello was best man for his cousin, Joseph Roach, brother of the bride, and Louis Sacro of Glasco, were ushers.

A reception for 130 guests was held at Schenectady. Guests were present from Jersey City and New York city. Mr. and Mrs. Salvino left for a wedding trip to Florida. For traveling she chose a brown gabardine suit, beige gabardine top and brown accessories. Upon their return they will live at 6 Forsyth Place, Newburgh.

Mrs. Salvino was graduated from Kingston High School in 1947. Mr. Salvino attended Kingston High School.

Liberals Call for Draft

New York, March 30 (AP)—A call for a draft of Gen. Dwight D. Eisenhower as Democratic candidate for president has been issued by the policy committee of New York state's Liberal party. "In this deepening crisis," the committee said in a resolution last night, "we believe that our country needs at its head a man who can unify all of our people in the preservation of Democratic values."

We have come to the conclusion that Dwight Eisenhower is a candidate of the Democratic and Liberal Forces could unite the greatest number of Americans at this time." The Eisenhower call will go before the party's state committee on April 17.

Newburgh Free Academy Orchestra Organized 62 Years Ago Plans Concert; Receive Memorial

Newburgh Free Academy orchestra, composed of 52 members this year, is preparing for its part in the annual Spring Festival Concert in the school auditorium, April 22 according to a recent report in the Newburgh News. This orchestra is probably one of the oldest school orchestras in the United States since it was first organized in 1886 by a group of interested students without professional leadership.

Also unique is the memorial given to the orchestra for the first time this year in honor of one of its former members, the late O. Roy Greene, Jr., who was killed in World War 2. The Rev. and Mrs. O. Roy Greene will present the orchestra with a number each year to add to its orchestral library. This year the Holberg Suite of Edward Grieg, one of the favorite compositions of the late O. Roy Greene, Jr., has been presented and the orchestra will play the Garotte and Rigaudon from it. It is written for string orchestra.

The suite was suggested as the first memorial but could not be obtained until this year since it was a foreign publication. Since it is now published in this country, it was procured last summer.

O. Roy Greene, Jr., was active member of the music department while at NFA as a member of the singing groups, drum major of the band, and tympanist in the orchestra. He played piano well. During the war he served in the 5th Division of General Patton's Third Army and was first lieutenant weapons platoon leader.

Each part of the music given in his honor bears the tribute: "Presented to NFA Orchestra in memory of O. Roy Greene, Jr., killed in action February 8, 1945. He has outlived the shadow of our night."

The orchestra conducted by Albert A. Nebelin, who became its sole conductor 1945 succeeding Robert D. Williams who had directed the organization from 1924. Nebelin had worked with Williams since 1915.

Mr. Prusack escorted his daughter. She wore a bridal gown which was a reproduction of Princess Elizabeth's wedding gown embroidered with white and silver beads. Her full length veil was held in place with a beaded tiara and she carried white roses.

Miss Frances Letus, sister of the bridegroom, as maid of honor wore a similar gown in blue nylon tulle and a blue flowered tiara with matching veiling. She carried tulle and yellow roses.

Theodore Letus was his brother's best man. Ushers were John Letus, another brother; and Ignatius Prusack, cousin of the bride.

A reception for 150 guests was held at Tommie's Tavern on High street. Afterward the bridal couple left for a wedding trip to New York city. The bride wore a black gabardine suit with beige top, black accessories and corsage of red roses. They will live at 236 Third avenue.

Both Mr. and Mrs. Letus attended Kingston High School. She is employed at the Jayrich Dress Co. He is employed at the freight house of the West Shore Division, New York Central Railroad. He served 2½ years in the navy in the Pacific area.

Dudley Struck by Car
New York, March 30 (Special)
Kenneth Dudley, 20, of Krumville is resting comfortably in City Hospital here today after sustaining head injuries in a traffic accident Sunday night. Dudley, according to police, walked in the path of a car driven by John Schultze, of 300 West 23rd street, New York. The accident occurred at the corner of 2nd avenue and 51st street.

Will Resume Dances
The regular Tuesday and Saturday evening dances will be resumed this week at the Youth Center in the former auditorium section of the Y.M.C.A. The dances were canceled last week due to Easter week activities.

Dormitory Club Will Dine, Hear Lecture on Fire

Members of the Dormitory Club of the Y.M.C.A. will hold a Dormitory Supper on Thursday, April 8, with Fire Chief Joseph L. Murphy as guest speaker. So far 15 reservations have been made through the club's secretary-treasurer, William Baker.

Chief Murphy will speak on fire control and prevention in the dormitory at the request of the members, because of the fact that last Tuesday morning a disposal container in the washroom was partially consumed by fire. The fire was discovered by a resident. Thomas Cummings and was put out with a fire extinguisher.

At the meeting the group will also inspect the first two of the additional rooms being constructed in unused space at the Y.M.C.A. building. It is expected that three more rooms will be completed by June.

These rooms are being constructed in the stair wells and entrance to the former auditorium section of the building. The stairways became absolute about ten years ago when the auditorium was transferred into a level-floor activity room.

In order to complete the furnishings of the new rooms, the Y.M.C.A. is asking the donation of single beds which home owners may have no use for. These beds will be called for at the home and taken to the "Y" by members of the Dormitory Club.

Furniture suitable for a dormitory men's club room is also being sought. At present members of that club are sharing the business men's room and fitting it out with comfortable chairs and game tables, light tables, magazine cabinets and rugs.

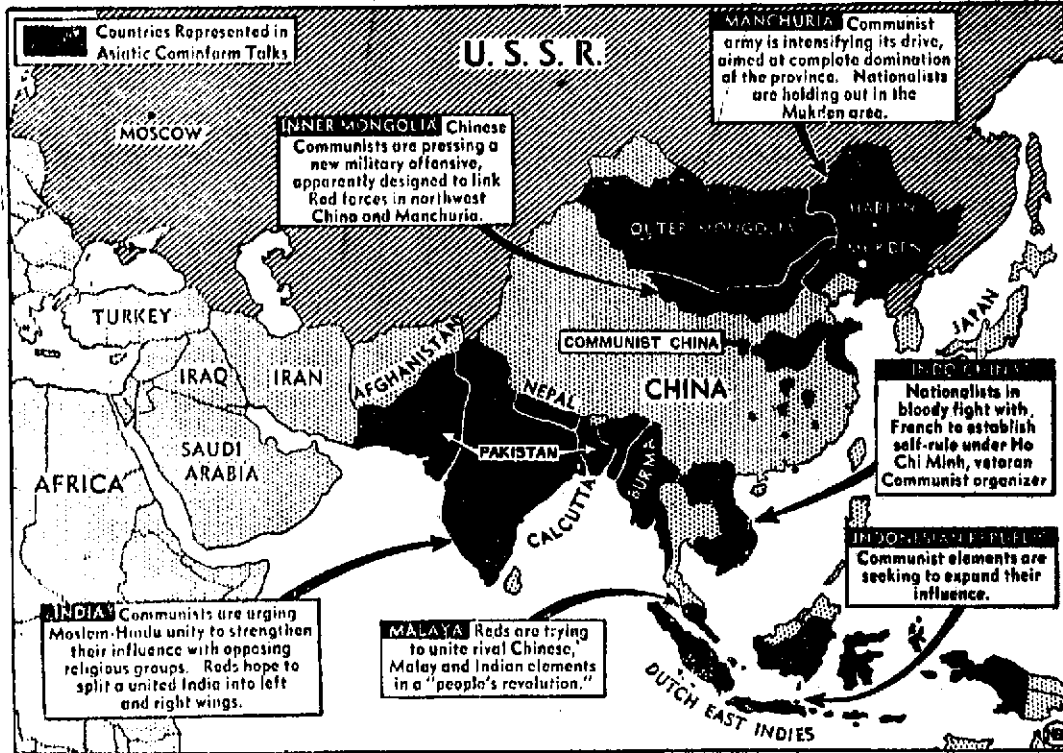

The Y.M.C.A. is also seeking a pool table for use in the game room.

Y Youth Group Will Complete Dance Plans

Youth Center Committee of the Y.M.C.A. will meet tonight at 7 o'clock before the regular weekly dance arrangements will be completed for the coming week. Saturday night, special event, will feature "Gals" and dancers and a Sadie Hawkins special. Joseph Costello's orchestra will play. There will be no change in admission.

The boys' table tennis team will entertain the "Doughkeepsie" boys team this Wednesday at 10 a. m. for the first of a series of matches to be scheduled on a home and home basis. The return match will be Friday at Doughkeepsie. Playing on the Kingston "Y" team will be Ronnie Scheffel, Robert Hume, Jack Morris, Don Frier, Chris Brown, with Joe Klein, Joe Beach, Bob Barrett, John Weber and Dick Tallent as substitutes. Spectators are invited to attend the home matches at the boys game room. Clarence Correll will have charge of both groups.

Communism Patches Its Fences in Far East

Although busy with its expansion program in Europe, Russian Communism isn't overlooking any bets and is stepping up its campaign to bring as much of the Far East under the Hammer and Sickle as possible. According to official London sources, meetings directed by USSR representatives have already been held in Hanoi, Manchuria, and in Calcutta, India, to organize an Asiatic Cominform. Nations represented in these meetings are shown on map, which also gives current status of Communism in various areas.

School Systems To Be Discussed For Olive Residents

Olive Bridge, March 30—All residents of the Town of Olive are urged to attend a meeting at U.C.O.P. Hall, Wednesday at 8 p. m. to hear discussed various types of educational systems.

This invitation comes from the Olive Chamber of Commerce which has procured a list of guest speakers well versed in school planning and operation.

Those who will talk are: Reginald Bennett, superintendent of schools for Ulster county, who is to discuss school centralization as is currently being planned for this area.

Attorney John Egan of Woodstock, recognized as an authority on school centralization.

Dr. Carl Messinger, Grahamsville, who will explain the result of consolidation of the schools within his township.

John Soltman, manager of Eastern District, U. S. Chamber of Commerce. His part in the program will be presentation of slides illustrating the effect of schooling on a community.

In order that all phases may be covered audience participation will be invited, so that no questions will be left unanswered.

Dairymen's Tour To Beltsville Is Off

A tour of Ulster county dairymen and poultrymen to the government experimental station at Beltsville, Md., and to Washington, D. C., has been canceled it was announced today.

The tour sponsored by the dairy and poultry committees of the Ulster County Farm Bureau was scheduled to start from this city today. It was canceled because too many farmers were unable to sign up. Albert Kurdt, county agricultural agent, said this morning.

Many of the farmers, the county agent said, found that their present farm-labor problems precluded their taking the three-day trip at this time.

Railroads Ready

Continued from Page One

workers. The engineers, firemen and switchmen will be given retroactive pay to November 1, if their unions accept the panel's recommendations.

The increase will amount to \$1.24 for each eight-hour day. The present average wage of the workers, management and labor sources said, cannot be computed because of the numerous classes of operating work and differentials.

Court Rules Clarke, Leonard Sentences And Fines Illegal

Newburgh, N. Y., March 30—The State Supreme Court has ruled illegal jail sentences and fines imposed on two newspapermen who refused to disclose sources of information.

The final court order, disclosed yesterday, directed the refunding of \$100 fines to Douglas V. Clarke, 33, news editor of the Newburgh News, and Charles L. Leonard, 27, reporter for the paper.

Clarke and Leonard were fined and sentenced to 10 days in jail February 27 on contempt of court charges. They refused to tell an Orange County Grand Jury where they obtained lottery tickets reproduced in the News.

The men were freed in custody of their attorney on March 4 by Justice Frank H. Coyne who said a final decision on writs or habeas corpus would be made later.

In his final order he said the procedure under which the newspapermen had been indicted, tried and sentenced was defective. Defense attorneys maintained the two were not given a chance to prepare their defense before being sentenced.

Butterflies are considered a delicacy by native tribes in many regions of the world.

Naval Reserve Meets Wednesday

Meeting to Be Held at Legion Building at 8 O'clock

Wednesday evening the regular meeting of the U. S. Naval Reserve will be held at the American Legion Building in Kingston at 8 o'clock.

At that time Lt. Commander Gottfried will outline the procedure for obtaining advancements in ratings for the members of the Reserve Unit in Kingston.

Additional course books have been received by the unit from the Commandant of the Third Naval District, which will be distributed to those members of the Reserve who did not receive their books at the last meeting.

Reports will be made by the city and county representatives, who were present at an executive meeting of the Naval Reserve at the American Legion Building last evening. These reports will be made by Grant Elwyn, Woodstock; Bernard Smith, Hurley; J. Fusick, Saugerties; Charles Ellis, Kingston; F. Jankowski, Kingston; J. Gruenewald, Port Ewen and R. Thorpe of Rosendale.

All members and friends are urged to attend.

Sophie G. Fairbanks Estate Appraised

New York, March 30 (Special)—The estate of the late Sophie G. Griswold Fairbanks, in which her daughter, Barbara F. Fite, of High Woods, Saugerties, and her son, David P. Fairbanks, of Woodstock, share, was appraised here Monday by the New York State Transfer Tax Department at \$16,928 gross value, and \$15,095, net.

Mrs. Fite receives personal property and one-half the residuary estate, and Mr. Fairbanks gets the other half of the residuary. Specific bequests amount to \$794.

Mrs. Fairbanks died on September 6, 1947.

Bennington Youth Held

Hartford, N. Y., March 30 (AP)—A 19-year-old Bennington, Vt., youth was held for grand jury action today on a charge of abducting the 17-year-old daughter of a New York broker.

Greenburgh Township Justice of the Peace Louis M. Galgano ordered the youth, Bert G. Stratton, an army veteran, held in default of \$1,000 bail. Thomas A. Alcock, father of 17-year-old Joanne, charges Stratton took her from the Alcock home last Saturday without his permission in a second attempt to marry her. The couple were arrested in Bennington Sunday night and returned to Greenburgh township police last night.

An electronic machine to expedite airline bookings has been announced.

She Barks

With the traditional cane and derby hat, comely Leanne Cameron mounts a pile to practice her "Hurry—hurry—HUR—RAY!" spiel that will welcome more than two thousand professional carnival barkers to Miami Beach, Fla., in mid-April. The leather-lunged showmen are expected to attend the convention of Variety Clubs International.

Italian Night Program Here

Will Be Held Saturday at the Auditorium

Plans are being rapidly completed for the Italian Night program at the Kingston Municipal Auditorium Saturday evening. It was announced today by Alderman-at-Large Charles J. Turck.

Local musicians under the leadership of Johnny Michaels will supply music and a noted Italian singer will be present. Among the speakers will be the Right Rev. Msgr. M. J. Drury and County Judge John M. Cashin.

The purpose of Italian Night here is to outline to local residents of Italian descent the importance of writing to their relatives and friends in Italy urging them to vote against Communism at the election to be held there April 18.

B.P.W. to Open Bids On Sewer Thursday

The meeting of the Board of Public Works on Thursday, April 1, will be for the purpose of opening bids for the construction of the sewer on Donnan Avenue, it was announced today at the public works office.

The bids are to be opened publicly, and all citizens are invited to attend the meeting, which will be held in the mayor's office at 3 p. m.

Routine business of the Board of Public Works will be transacted at a regular meeting to be held Wednesday, March 31, at 3:30 p. m. in the mayor's office.

ESOPUS

Esopus, March 30—The Mothers' Club of the Esopus School will hold its regular meeting in the schoolhouse on Tuesday night, April 6, at 8 o'clock.

The W.S.C.S. of the Methodist Church will meet at the home of Mrs. Fred Eckert on Wednesday afternoon, April 7 at 2 o'clock.

The Hurry Jones family will move into the parsonage when the necessary improvements are completed.

Mrs. Emmet Ebersole and son, Douglas, of Arlington, N. J., and Mr. and Mrs. Connie O'Hara and two children, Maureen and Daniel, of Jersey City, are spending the Easter vacation with Mr. and Mrs. Ovid Baker.

Mrs. Percy Mott, who has been ill for the past week, is improving. The Theodore Oxholm family is spending some time here.

Curly Caps Make Headline News

There's headline news in the curly cap. Three styles in curly caps pictured above feature new abbreviated length hair cut as short as one inch.

Mrs. Ernest Hemmingway, center, famed novelist's wife, was photographed on Sun Valley's ski slopes wearing an inch-long curly cap. Because hair length is no longer than a duck's feathers, Mrs. Hemmingway calls her head-piece of brushed up curls a "duck-down" cap.

BY ALICIA HART, NEA Staff Writer

The other two coiffures shown are worn by top-notch New York models. Both styles modeled are hairdresser John Hall's interpretation of the new close-cropped look.

The style at left features a three-inch cut. Hair is dressed to hug the top of the head, dip forward in softly scalloped waves over ears and temple.

The hair-do at right owes its curly-cap look to an all-over mass of ringlets. The uniform length of these is four inches.

Cream of the Toy Crop

Here's the latest in toys—a model cow that mows and gives real milk. Joan Bennett, 5, of New York, demonstrates. The plaything has a removable rubber udder with a built-in reservoir. A squeeze does the trick.

Makes a Pig of Himself on Beer

Show a bottle of beer to Jack, a 200-pound Russian wild boar, and he pleadingly grunts until you uncup it and pour the contents down his gullet. Jack belongs to Deputy U. S. Marshal Hugh Watson, of Sweetwater, Tenn., who captured him while raiding a still in the nearby mountains three years ago. He brought the baby pig to his farm and raised it on milk from a bottle until it could forage for itself. Since his first taste of beer Jack has demanded his daily ration of the stuff. Above, Marshal Watson's brother Henry, gives him one of the five or six bottles he drinks every day.

Bird Stop-off

Thin Fair Isle, north of Scotland, is famed for its sweater patterns, and as a stop-off for migratory birds.

Old Beliefs

Rings made of silver coins once were believed to cure convulsions and fits; rings set with an elk hoof, epilepsy.

First Malleable Iron

The first malleable iron fell from the sky as meteorites which primitive man regarded as gifts of the gods.

Stock Trading Drops
The volume of trading on the New York Stock Exchange dropped from 363,700,000 in 1946 to 253,600,000 in 1947.

Divination by Rings
Dactylomancy—divination by means of finger rings—was practiced through the seventeenth century.

City Baseball League Managers Elect Tommy Davitt New President

Succeeds Smith Who Is Chosen Vice-President

Thomas M. "Tommy" Davitt, veteran baseball figure and ardent champion of local talent, succeeded Warren Smith as City Baseball League president last night at the annual election of officers held at the Y.M.C.A.

The twilight league pilots also voted for an eight-team circuit for 1948, dropping the Knights of Columbus, Seven-Up and the Hofbrau franchises. They were not represented.

The officers slate for the forthcoming season follows:

President—Thomas M. Davitt.
Vice-President—Warren Smith.
Secretary—Paul Freer.
Treasurer—Jake Senior.

Teams entered in the 1948 race and representatives at last night's meeting were:

Morgan's Restaurant—Bill Thomas.

Chester's—Joseph Knack.

Frank's Sport Shop—Joseph Walska.

Boulevard Golf Station—Bob Gulnick.

West Shore—Packer Davis.

Mauler's Bakery—Rudolph Lorus.

James Daley—George Zandary.

Franchise—Charles Francello, name to be selected later. Composed chiefly of last year's Hofbrau squad.

Top Baseball Name

A City League baseball star in his prime and a member of Kingston's leading clubs through two decades, including the Colonials, Davitt was a 6-2 choice of the league managers.

The nominating committee proposed the names of Davitt, Warren Smith and Maurice McGarry. The latter declined the nomination and the ballot was 6-2 in favor of Davitt, with one ballot void.

McGarry declined to run for a second term as vice president and Smith was named over Jack Deans.

Paul "Sure Shot" Freer and Jake Senior were unopposed for secretary and treasurer respectively.

Meeting Next Monday

President Davitt after taking over the chair and praising Mr. Smith for his excellent conduct of the league's affairs last season, announced a meeting of league officers and the press Monday night.

A general meeting of officers and managers was set for April 12.

Opp. Municipal Auditorium

B'WAY & HOFFMAN ST.

Barone, Morton, Virgilio Are Set for Canucks

The team of Canadian boxers, held up on an appearance here during the winter by a severe snowstorm, is ready for its engagement Thursday night at the municipal auditorium, according to B. H. Becker, director of bouts for B'nai B'rith.

Matched with some of the best New York state ring talent, the Canadians in a communication today asked that hotel reservations be made in Kingston. The boys will arrive tomorrow in order to have time to rest for Thursday's big show. They'll check in at the Stuyvesant Hotel.

Are Action Fighters

Fans who missed them when they were snowbound upstairs are expected to flock to the auditorium in large numbers, because the Canadians are noted for the good exhibitions they put on. They have pleased local patrons of the ring sport on several occasions.

In addition to the amateurs from across the border, B'nai B'rith has booked the cream of New York's boxing crop including Tony Barone, the Schenectady welterweight who always packs 'em in when he appears at the auditorium. It will be Tony's first return since he had the misfortune to be tagged by Jimmy Beau of Poughkeepsie, now a professional.

In The Pocket with CHARLIE FIANO

Bugattelles:

A demented Hollywood scenario writer couldn't have dreamed up a gaudier finish for the Hudson Valley Bowling League than the climactic duel between Hottel Ulsters and Newburgh Shapiros next Sunday on the Hill City planks. The league has never had a flat-footed tie on closing day and this is it. By all standards of bowling, the Shapiros should win because of the natural advantage of their home drives, but the Ulsters can't be counted out until the final returns are in.

A mere matter of 17 sticks cost the defending champions a two-game margin going into the playoff match. The Poughkeepsie PVFC ground out two important victories for themselves and a couple of heartbreaking setbacks for Ulsters. A couple of breaks in the tenth frame of the first and third sets would have given the Ulsters a sweep but they never materialized. Certainly a team that shoots 1109 and 3074 in a crucial match need not hide their collective heads under a bushel basket.

Around the Horn:

Although Lou Schaffer's Mid-Hudson Basketball Tournament is hogging the local spotlight in the next several days, baseball got off a flying start last night in the City League and Joe Hoffman of the new baseball syndicate is expected to make an important announcement in the next few days.

Whether the twilight circuit can match its spectacular success of 1947 is pure speculation. If operated properly, however, it will continue to prosper.

There are just a few random thoughts and an early-season platform for the City League and the Athletic Field:

1. Move home plate back at least 20 feet to gain full protection of the backstop and save baseballs, a luxury item these days.

2. Extend the backstop toward first and third base.

3. Provide additional bleacher facilities along the first and third base lines, but drop them closer to the street on the third base sector, a danger spot for line drives.

4. Erect "snow fences" in the outfield at legitimate distances for home run targets for the players. Last year's ground rules were utterly ridiculous in right field. There were too many 400-foot "doubles."

5. Money collected in the Shaughnessy playoffs to be split up by four contending teams, with a percentage going to the league's sinking fund.

6. Election of officers at the end of the baseball season. Instead of having the holder slate working without any guarantee they are to be retained.

A Grand Baseball Man Is 81:

If you know your baseball, you know that Lou Schaffer, 81, was one of the master hurlers of all time. The octogenarian was 81 years old yesterday. And just in case you're not familiar with the magnitude of his career, here are some of the highlights:

Pitched 44 consecutive scoreless innings.

Won 511 games, lost only 313 for a percentage of .620.

Authored three no-hitters, one of them a perfect game against Rube Waddell and the Philadelphia Athletics.

Won more than 30 games in a season five times.

Struck out 2332 batters and pitched only 1102.

Pitched 23 successive hitless innings.

Averaged .737 or better five times, three seasons consecutively.

In his best year, 1902, he won 36 games and lost only 10 for Cleveland.

In 1905, his sixteenth in the majors—he fanned 207 and walked only 28. Quite a guy!

Flotsam and Jetsam:

Woodstock Varsity enjoyed a splendid season in basketball and generated plenty of enthusiasm in the arid village. The weekly "ten cent award" was a novel stunt and paid heavy dividends.

Foremost in the Woodstock basketball picture was Joe Holdridge, Bill West, Jimmy Kins and Walter Van Wageningen. . . . The city sheriff's experts are now getting tangled up in dirt ball.

That brothers, you can have. . . . ASIDE TO THE LAMPGLIGHTERS: Let's forget it follow. . . . You're probably right, but Andy Murphy of the Legionnaires is the man who announced the Lampglitter-Jayvee pairing. . . . He was sincere in his desire to see the re-match, but overlooked the important detail of letting you fellows in on the secret. Those things happen.

MULLIGAN MIKE SAYS: Isn't it about time for the bear that walks like a man to sit down for a while and take it easy?

Providence, R. I.—Buddy Horderfield, 146, Little Rock, Ark., outpointed Tony Falco, 144, Hartford, Conn. (10).

Leafs and Wings Point for Finals In Hockey Playoff

By The Associated Press

Victories by the Toronto Maple Leafs and the Detroit Red Wings tonight will virtually assure these two teams of a berth in the final round of the National Hockey League's Stanley Cup playoffs.

The Leafs take on the Bruins in Boston while the Red Wings tangle with the crippled Rangers in New York.

Toronto, defending champion, enjoys a 2-0 advantage in its best four-out-of-seven series with the Bruins while the Wings have a 2-1 edge over the Rangers in a similar series.

The Leafs, playing on Boston ice for the first time in the series, will present virtually the same lineup that enabled them to win the first two games, 5-4 and 5-3.

The Red Wings, who won the first two games before dropping a 3-2 decision in their initial New York appearance Sunday night, are in good shape.

FIGHTS LAST NIGHT

(By The Associated Press)

Boston—Ole Tandberg, 204, Stockholm, outpointed Duilio Spagnolo, 189, Italy (10).

New York—Jose Basora, 160, Puerto Rico, stopped Carl "Buddy" Purcell, 160, Newark (2).

Philadelphia—Harold Johnson, 170, Philadelphia, outpointed Kenney Harris, 169, Philadelphia (10).

Roman Alvarez, 144, New York, outpointed Honeychile Johnson, 141, Philadelphia (10).

Holyoke, Mass.—Lou Casiano, 133, New York, outpointed Teddy "Redtop" Davis, 134, New York (10).

New Haven, Conn.—Danny Webb, 130, Montreal, outpointed Julio Kogon, 135, New Haven (10).

Hercules Shoot 2961 in National Play

Hanley Hits 660; J. Mannello 650

Hercules No. 1 keggers, two-time winners of the national Hercules Powder Company telegraphic bowling tournament virtually assured themselves of a third consecutive national title and permanent retirement of the Hercules Trophy with a sensational 2961 series Saturday at the Central Recs.

Bob Hanley smashed 660 and Joe Mannello had 650 on alleys 5 and 6 as the Port Ewen trundlers reeled off counts of 975, 940 and 1046 which is big league bowling anywhere.

Hercules won the telegraphic tournament with 2750 last year. A second Port Ewen entry, the No. 2 squad, hit only 2494 with 910, 758 and 826.

Hanley is Hot

Hanley furnished the spark of inspiration for the Powdermen, sandwiching a 190 with two counts of 235 in the leadoff spot. Mannello was close behind with 202-216-232, while Cliff Davis Sr., also hit the "600" mark with 206-180-206-601.

Norm Niles rolled 212-565 in the sub-anchor and Jack Martin shot 484. C. Herdman's 557 led the No. 2 keggers.

The final national results will be known within a week.

The scores:

Hercules No. 1

Bob Hanley 235 190 235 660

Cliff Davis Sr. 206 180 206 601

Joe Mannello 202 216 232 650

Norm Niles 212 565 212 565

Jack Martin 484 150 61 694

Totals 975 940 1046 2961

Hercules No. 2

A. Maurer 166 117 148 431

Herberman 107 180 190 587

K. Newell 174 167 186 491

Charles 192 167 186 518

Totals 610 758 826 2494

Charles' Aching Back Is Cause for Inquiry

Cincinnati, March 30 (AP)—Dr. Walter B. Phillips, official physician for the Cincinnati Boxing Commission, today expected to solve the riddle of Ezzard Charles' ailing back for the Illinois Athletic Commission.

The I.A.C. has ordered Charles to appear for a physical examination to determine if his claim for a five-day postponement of a bout with Elmer (Violent) Ray is justified.

The Cincinnati Negro brawler said he needs a five-day delay because a cold in his back has delayed heavy training.

The fight, a benefit affair for the family of Sam Baroudi, Akron, O., who died after a February 20 battle with Charles, originally was set for April 7. Promoters changed the date to April 12.

Quick-Tellier Duel Tonight

Clifton Quick battles against virtual elimination for top honors in the city pocket billiard tournament tonight when he meets Julius Tellier in a major attraction at the Knickerbocker at 7:30 o'clock.

A feat would be costly to the defending champion on a ready an, upset victim of Harry Markle. Tellier has a 4-2 record.

Stan Warren tripped Ralph Gardner 125-112 in last night's match, clicking a high run of 14. Gardner's best was 13.

Canadian Boxing Stars Face Top New Yorkers

Thursday:

Cliff "Red" Blackburn, Montreal champion, vs. Tony Barone, Schenectady, welterweights.

Clayton Kenny, Ottawa, Canada, vs. Ray Smith, Albany, former Louisiana Golden Gloves champion.

Carmine Virgilio, Poughkeepsie, once heralded as the uncrowned

Voice of Experience

St. Louis Browns' new manager and veteran catcher, Zach Taylor, right, who knows what the ball should look like when it comes over the plate, gives advice to rookie pitchers Clem Dreisewerd, left, and Jim Wilson at the Browns' training camp in San Bernardino, Calif.

New Jersey Fives Dominate Play in Glens Falls Tourney

Glens Falls, N. Y., March 30 (AP)—Four New Jersey high school teams compete tonight in the semi-finals of the 26th annual Glens Falls invitation basketball tournament.

Atlantic City High School is pitted against Immaculate Conception High of Montclair in the first game. The defending champion, Dwight Morrow High, of Englewood, tackles Emerson High School of Union City in the night-cap.

Emerson set a new scoring record last night in the final game of the tourney's opening round, went to the front Sunday with a creditable 3002 for five-man competition. Bill Wilkins and Joe Romano of Amsterdam, N. Y., are expected to pace the doubles field for several weeks with their 1328.

Cavoli's of Cleveland, the first 3000-average team to shoot here, went to the front Sunday with a creditable 3002 for five-man competition. Bill Wilkins and Joe Romano of Amsterdam, N. Y., are expected to pace the doubles field for several weeks with their 1328.

In the singles race, Nick Miller of Massillon, O., averaged 236 to grab the lead with a 709 mark, and Clarence Collier of Youngstown, O., spilled the pins for 213.5 mark while taking over the all-events top spot. His total was 1922.

Yesterday's firing produced only one change among the leaders as Nick Sandru of Canton, O., moved into the all-events third place with 1896.

Nicholas Leoce-Anthony Mack, Newburgh, N. Y., with 1251, are third in doubles.

Morrow Stars

In other games last night, Atlantic City High conquered Utica Free Academy, 55-48; Immaculate Conception defeated Trenton (N. J.) Catholic Boys' High, 56-50, and Dwight Morrow downed Newman Preparatory of Boston, Mass., 57-43.

The top individual scorer in opening round competition was Francis Duggan, Newman Prep center, who netted 24 points.

Melvin McCoy, Dwight Morrow forward, and Joseph Bradley, Atlantic City center, had 23 points each.

Two games are scheduled today in a round-robin consolation event. Utica meets the Catholic Boys' team in the opening contest and Newman Prep takes on Salgin in the second game.

New York—Bernard, 134, Brooklyn, outpointed Al Pennino, 132, Brooklyn (8).

High Scores Flourish In ABC Play

Detroit, March 30 (AP)—With 20 days of the current American Bowling Congress Tournament a matter of record, scores in the big pin classic stand exceptionally high.

Only a few of the top "name" teams have performed during the early stages of the championship since most of the high-ranking bowlers prefer to wait until the alleys have been "broken in."

Cavoli's of Cleveland, the first 3000-average team to shoot here, went to the front Sunday with a creditable 3002 for five-man competition. Bill Wilkins and Joe Romano of Amsterdam, N. Y., are expected to pace the doubles field for several weeks with their 1328.

In the singles race, Nick Miller of Massillon, O., averaged 236 to grab the lead with a 709 mark, and Clarence Collier of Youngstown, O., spilled the pins for 213.5 mark while taking over the all-events top spot. His total was 1922.

Yesterday's firing produced only one change among the leaders as Nick Sandru of Canton, O., moved into the all-events third place with 1896.

Nicholas Leoce-Anthony Mack, Newburgh, N. Y., with 1251, are third in doubles.

The Grapefruit Circuit

Bradenton, Fla., March 30 (AP)—Back at the Boston Braves training base after an unsuccessful trip to Florida's east coast, Manager Billy Southworth planned to devote today's workout to priming his Tribesmen for tomorrow's opening clash with the Boston Red Sox. These two clubs will meet five times before the regular season opens.

Sarasota, Fla., March 30 (AP)—S2 still weary from their 17-inning 2-2 stalemate with the New York Yankees yesterday, the Boston Red Sox will take a 12-mile trip to Bradenton today to engage their Louisville farmhands in a practice tilt. Manager Joe McCarthy planned to test at least three of his rookie pitchers.

St. Petersburg, Fla., March 30 (AP)—The St. Louis Cardinals hope to end a batting slump when they tackle the New York Yankees today. The Cards lost their third game to the Cincinnati Reds yesterday, 4-2. Murry Dickson and rookie Al Papi are due to pitch against the Yanks.

Ciudad Trujillo, D. R., March 30 (AP)—The Brooklyn Dodgers will get their first taste of major league competition shortly. The Brooks were scheduled to leave their training base here today for Vero Beach, Fla.

The Dodgers cleaned up against their Montreal farm hands and Dominican and Puerto Rican teams winning 14 games without a loss.

St. Petersburg, Fla., March 30 (AP)—Floyd Bevens, sidelined with a leg injury since March 9, is slated to work for the New York Yankees against the St. Louis Cardinals today.

Bevens is overweight from his long layoff and probably will see a lot of action before the regular season begins.

El Centro, Calif., March 30 (AP)—Larry Jansen, starting his second season with the New York Giants, is showing that his initial season was no flash in the pan.

The talented righthander, who won 21 games and lost five last year, has allowed only one run in 12 innings so far. He pitched six scoreless frames against the Pittsburgh Pirates yesterday as the Giants blanked the Bucs, 2-0.

St. Petersburg, Fla., March 30 (AP)—The St. Louis Cardinals hope to end a batting slump when they tackle the New York Yankees today. The Cards lost their third game to the Cincinnati Reds yesterday, 4-2. Murry Dickson and rookie Al Papi are due to pitch against the Yanks.

Oilers and Wildcats Place 5 Each on Olympic Cage Squad

New York, March 30 (AP)—The Phillips Oilers of Bartlesville, Okla., and the Wildcats of the University of Kentucky will furnish 10 of the 14 players on the basketball squad which goes to London this summer to represent the United States in the Olympic

Good Taste Today

By Emily Post

(Author of "Etiquette," "Children Are People," etc.)

INTRODUCING GROUPS

Introductions seem to be a universal stumbling block. This situation in particular: "How should I introduce two or more persons to a group? Does one have to keep repeating the names each time, which always seems so awkward and confusing?"

You merely say, "Mrs. Jones, Mr. Smith" and then give the names of the others as they happen to come. Don't skip around and introduce the women first and then go back and introduce the men. This, too, only adds confusion. If someone in the group is not paying attention, you then would have to call her (or him) by name and then repeat the names of the newcomers. But not otherwise.

Fork Placed on Right

Dear Mrs. Post: Recently I saw a picture of a table setting with a fork at the right of the

THEN AND NOW

Capt. Harry S. Truman posed for the picture at top in France during World War I. Thirty years later as President of the U. S., he still has the same stubborn chin and straightforward expression.

plate. Can this be correct? I thought a fork always was placed at the left.

Answer: When you have only a single implement—whether it be fork or spoon—you naturally put it at the right. But if you are having a fork and a spoon, you would put the fork to the left of the plate and the spoon at the right.

"Come To Lunch Some Time"
Dear Mrs. Post: When a friend says, "I want you to come and have lunch with me some time," should one ignore this invitation and wait for her to set a definite date, or actually drop in "some time" for lunch?

Answer: By all means wait for a definite invitation, unless the house is one of such unusual hospitality that extra places habitually are laid for hope-for friends—and this is very rarely seen today.

Passing Plate For Second Helping
Dear Mrs. Post: When passing a plate to the host or hostess for a second helping, should the knife and fork be left on the plate or

removed so that they won't topple off?
Answer: They should be left on the plate with handles close together and far enough in toward the center to avoid the risk of toppling off.

Would you like to know the correct way to introduce your family or friends? To obtain a copy of Mrs. Post's leaflet, E-17, "Introductions," send 5 cents in coin and a stamped self-addressed envelope to her, in care of the Kingston Daily Freeman, P. O. Box 99, Station G, New York 19, N. Y. Post is sorry she cannot answer personal mail.
(Released by The Bell Syndicate, Inc.)

Dried Beef
Dried beef may be torn into small pieces, sautéed in butter or margarine and then added to a sauce made of condensed mushroom soup and milk. Served on toast or in a noodle ring, it makes an excellent luncheon dish.

All hoofed animals walk on their toenails.

project. But the committee said Secretary of the Army Royall had described it as "of major importance to the planned military program in Alaska."

The U. S. Information and Educational Exchange Program, which sponsors the "Voice of America" broadcasts to Europe, was given \$3,000,000. The committee asked for the remaining three months of this fiscal year.

The committee said it is not satisfied with the way the program is handled and said "a sound and effective program" of combating Soviet propaganda abroad should be worked out within the framework of a law enacted early this year.

Three Millions Granted

The committee gave the Veterans' Administration \$3,000,000 — which the President had not asked — to keep on V.A. payrolls an estimated 3,000 employees who otherwise would have been released.

An air force request for \$26,670,000 to buy new and distinctive uniforms was cut to \$10,000,000. The committee said this should be enough for a start.

It cut \$7,000,000 from the \$150,000,000 the Army asked for government and relief in Germany, Japan and Korea. The lesser sum, the committee said, should be enough for the rest of this year.

Among Navy items approved was authorization for \$1,600,000 to acquire land for expansion of the naval base in Guam. The money is to be taken from funds now available.

The Postoffice department's share of the bill was \$140,890,300, or \$15,995,000 less than requested. Minor allotments for miscellaneous agencies and bureaus made up the balance of the total.

Second Meeting Held

The second meeting of the school for instruction for firemen was held this morning at the Central fire station with Deputy Fire Chief James Brett leading a discussion on ventilation.

Prominent at Easter Ball

Among those who assisted at the annual Easter Charity Ball sponsored by the Ladies' Auxiliary of Benedictine Hospital Monday night at the Municipal Auditorium were from left, Mayor Oscar V. Newkirk; Mrs. George F. Einterz, honorary chairman and president of the auxiliary; the Rt. Rev. Msgr. Martin J. Drury; and N. R. Abramson, director of the WOR Entertainment Bureau. (Freeman Photo)

Benedictine Ball Enjoyed by 1,500 On Monday Night

Well Arranged Stage Show
Delights Audience,
Dancers Liked WOR
Orchestra

The Ladies' Auxiliary of the Benedictine Hospital presented its annual Easter Charity Ball Monday night at the Municipal Auditorium featuring six very entertaining acts of vaudeville, and excellent music. More than 1,500 people attended.

The entertainment moved along rapidly with amusement planned for all ages. The show opened with Gloria Ware, soprano, singing "Lover by Rodgers; an aria from Madame Butterfly by Puccini; and Wanting You from Romberg's The New Moon.

Later in the program she was joined by Bob Douglas for duets of Sweetheart from Maytime and Indian Love Call. Mr. Douglas sang solo selections including Golden Earrings; the Oscar Hammerstein, 2nd, version of "Tenderly" from Carmen entitled "Stand Up and Fight, and Deep River. Both of the voices were rich and clear. The singers gave genuine interpretations to the songs.

Richard DuBois, magician, used various members of the audience to assist in tricks making an object disappear and reappear.

Dorothy Deering, acrobatic dancer, did a graceful dance featuring two large aquamarine plumed fans, followed by a nimble acrobatic routine.

Johnny Woods, master of ceremonies, received generous applause for his comic impersonations of Gabriel Heatter, Kallenborn, Winchell, and Winston Churchill. Vaughn Monroe, the Spots, Kate Smith, children's programs, Eddie Cantor, Al Jolson and Cab Calloway.

The show closed with the popular Ken Whitmer, professor of musicology, who had appeared at the American Legion Ball about three years ago. Dressed in a cap and gown Whitmer proceeded to play practically every instrument of the orchestra. His first number was played on his huge cigar which incorporated a piccolo, then on his umbrella and so on through a series of varied-size violins, the trombone of Tommy Dorsey, clarinet of Goodman, cornet of Harry James. He asked for suggestions and played the piano, the drums and bass fiddle.

Delightful Music

The 10-piece WOR Orchestra.

directed by Arthur Kahn, did a masterful job in accompanying the entertainers, and furnished music to the delight of those patrons who stayed to dance until 1 a. m.

During their concert preceding the show, the ensemble favored with classical and semi-classical compositions, Holiday for Strings; excerpts from Gounod's opera Faust; American Patrol by Meecham; In a Persian Market, Ketylby; Malaguena featuring the pianist Morton Phillips. The closing was a Fantasy Orientale which included music from Scheherazade, and compositions by Tchaikovsky and others. The band will appear at the Neville Country Club, Ellenville, this summer.

The ball was officially opened by Mayor Oscar V. Newkirk who thanked the people for patronizing the affair. He introduced the Rt. Rev. Msgr. Martin J. Drury, who spoke in behalf of the hospital nuns and staff. He emphasized the enormous rise in expenses connected with operating the hospital and thanked the people for their generous support of the ball.

Speaking of the new wing which has been planned for several years at the hospital, Monsignor Drury again explained that the costs of building had risen \$500,000 dollars beyond the estimated cost at the time of the initial drive for funds. On the advice of business men the hospital has decided to wait for more favorable conditions.

The hall was decorated with soft green draperies on the windows and doors. Baskets of flowers were on the stage. The local theatrical union put on the lighting effects during the entertainment, giving the impression of falling roses on the stage curtain.

The entertainment and band were booked through N. R. Abramson, head of WOR Entertainment Bureau, who praised the Benedictine Hospital for its work in the community, and paid tribute to his friend of 10-year's standing, Police Captain William T. Roedel, who served as an adviser in arranging the show, expressing the tastes of Kingstonians along the lines of stage presentations. Mr. Abramson, a resident of Hunter, said he took special delight in arranging the program of hand-picked acts for his neighbors in this city.

Leonard Arrested

George M. Leonard, 33, R.D. 2, Kingston, was arrested at Stony Hollow Monday afternoon by Deputy Sheriff Ray Winne on a third degree assault charge. He is slated for hearing April 7 before Justice Percy Bush, town of Ulster and bail was fixed at \$100. The arrest, the sheriff's office reported, was on complaint of a woman.

Boy Meets Dog

Not at all afraid of Prince Mischief, a hulking 175-pound St. Bernard, 3-year-old Johnny Schauburg shakes hands and quickly makes friends with the animal during the Mississippi Valley Kennel Club All-Breed Dog Show in St. Louis, Mo.

Dewey Signs Bill To Give Lunches; Amendments Legal

Albany, N. Y., March 30 (AP)—Governor Dewey today signed a bill making available \$3,200,000 for school lunches and establishing a \$1,250,000 fund for advances to schools awaiting federal reimbursement.

Dewey also:

1. Approved a measure mandating American History instruction in high schools.

2. Signed a bill removing "any possible doubt" over legality of six constitutional amendments approved by the people last fall.

The \$3,200,000 for school lunches will round out federal school lunch grants until March 31, 1949.

Dewey told the legislature when the bill was introduced that federal grants were "insufficient to provide adequate reimbursement to our participating schools."

He said the non-profit school lunch program had been "hindered by the long delays" in federal reimbursement to the schools and called for establishment of the \$1,250,000 revolving fund. The education commissioner is empowered to advance money from the fund to the schools in anticipation of receipt of federal funds.

The bill mandating American History instruction in public high school writes into law present state Education Department requirements.

Legality Is Speeded

The bill to remove any doubt over legality of the six constitutional amendments was speeded through the legislature in the closing days following discovery of a slip-up in pre-election publication of the official notices. An informed source said the notices failed to appear "in one newspaper on one day."

The amendments included authorization for the \$400,000,000 veterans' bonus, nearly half of which has been paid.

The governor also signed two bills to regulate insurance trade practices in accordance with a 1945 act of Congress. If the state had failed to enact the legislation, New York's insurance industry would have come under federal anti-trust laws after July 1.

One bill prohibits unfair practices in the insurance business. The other places insurance, with the exception of marine insurance and rate-making activities, under

the Donnelly act—the state's "little anti-trust law."

Dewey vetoed a bill by Senator Arthur Wicks, Kingston Republican, which would have exempted bus companies under Public Service commission jurisdiction from a two per cent gross income tax imposed on utilities.

He approved other bills which:

Eliminate the ban on increasing salaries of police justices, county officers and employees during their terms of office.

Prevent public officers, removed after refusing to sign a waiver of immunity when called before a grand jury to testify on conduct

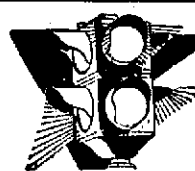

of their office, from holding any public office for five years.

Prohibit operation of motor vehicles with broken, fractured or discolored glass.

Provide that the board of supervisors, in counties having a county police department, shall issue permits for equipping automobiles with short-wave receiving sets for persons living outside of cities or villages.

Scouts to Give Party

The Tillson Boy Scout Troop will sponsor an adult game and dance party at the Tillson school Saturday at 7:30 p. m. Admission and refreshments will be free.
